

WORKS FOR THE CR250R. WORKS FOR THE CR125R TOO.

The all new, head turning Honda CR125R has the look of a true champion. The innovative lightweight twin spar aluminium frame features dual box section twin spars strong enough to take on the toughest circuit, providing remarkable handling at racing speed.

We've modified the engine too, and given it a 5-speed gearbox for a more comfortable range of shifting ratios.

Exhaust valve size and shape have been changed for increased power output. New ignition timing and cylinder port timing give better high r.p.m. feel, whilst new flexible reed valve improves throttle response with better low to mid-range control.

Bolt that lot into a frame that's based on the current world champion CR250R and you've got a gutsy, unbeatable combination that'll have the competition eating dirt.

The Shape of the Future... ...backed up by hard facts

Fact: Yamaha rider Alessio Chiodi blitzed the opposition to win the 1997 World 125cc Championship on his production-based Yamaha YZ125. **Fact:** Yamaha's radical new YZM400F 4-stroke won races at five 500cc Grand Prix in its debut season. **Fact:** Doug Henry made motocross history by taking his Yamaha YZM400F to the first ever Supercross win by a 4-stroke at Las Vegas in May. **Fact:** Yamaha motocross bikes won more Grand Prix races in 1997 than any other manufacturer. **Fact:** Yamaha is the only manufacturer to win races in all three Grand Prix categories – 125cc, 250cc and 500cc – in 1997.

You're looking at the beginning of a new era in the off road world.

Equipped with a high-agility 250-sized chassis and pumping a super-wide band of 500-class torque, the awesome new 55 horsepower YZ400F 4-stroke is undoubtedly the shape of the future.

Running with uprated motors and modified chassis designs, the latest GP-developed YZ125 and YZ250 are ready to win at every level – while our YZ80 and YZ80LW get tough new high rigidity frames.

'98 YZ. The widest choice of winning motocrossers. Ever!

AMCA NEWS

One Day Licences

A reminder to clubs who organise Moto Cross events that entries should not be accepted on the day before any AMCA licence holders who require a late entry. At the moment with so few events being run more AMCA licence holders are looking for a ride. Several clubs are having to cancel which means additional riders are trying to gain entries. Any club organising an event should not accept any One Day Licence entries by phone prior to the day of the event. Already this season there are complaints being received from riders who phoned an organiser to check on late entries, told no, then on the day sees the club accepting both late and one day licences. Anyone in doubt should either turn up and take a chance or give a definite answer, Yes or No, and stick to it.

Twin Shocks

The Clwyd & Chester MXC will open their events due to be run at Lloc on April 12th, June 14th and September 13th to Twin Shock riders. At present these are the only three events on offer to this class of rider. The cost of entering these events for non AMCA licence holders will be £20 per event in advance plus an extra £10 if entering on the day. AMCA riders with Classic licences will be eligible, cost will be £17 (in advance) plus £10 on the day. Riders with (modern) AMCA licences, who own twin shock machines, cost - 'A' licence £12, 'B' £17, with the usual £10 added if entering on the day.

Entry forms are available from the AMCA Office.

Moto Cross In The North

The Charnock club have had to cancel the North West Moto Cross on Sunday due to wet weather, so the first event in the group looks like being April 12th with the Leigh Club. Hopefully the riders should be able to be included in the West Pennine moto cross at Norley on March 29th. Also, the North West riders should be able to ride at the Yorkshire event at Finningley on April 5th.

Additional event on April 13th (Monday) at Torrington, North Devon. Callington club are not running on June 21st, which they had booked provisionally, neither are they running on July 19th, but hope to run on August 9th.

Stolen Bikes

A 1998 250 Honda was stolen on Monday evening from the Leicester area. The owner is offering a reward of up to £500 for any information leading to the recovery of the machine. Please contact M. Lynch on 01664 424800. Another victim of bike theft had a 1996 CR125 taken from his home. The owner is offering a large reward. The bike has engine number: 5706244 and frame number: JH2JEOIA6 TH001478. Distinctive marks include bright silver hessian tape all over side panels. If you can help please contact Mr D. Marsh 01685 83903.

Stolen Jacket

A one-off AMCA jacket, which was taken by Bill Brown to the Dirt Bike Show, was stolen from the show. It is the only one and has large AMCA letters on the back. Anyone reading this who may have it, send it back to the AMCA Office please.
