Armco Barriers.

As all riders will see approximately half of the circuit, armco barriers have been erected. e have placed straw bales in front of them as protection but I would like each and every rider to take great care and give the barriers the respect they require. So gentlemen, have an enjoyable days racing but please take great care.

Keith Hopkins.
Clerk of the Course.

I would like to take this opportunity of apologising for the postponement of our scheduled meeting on April 6th 1974. This was due to the armco barriers not being erected fully by that date. I am sorry for any inconveniences caused to any rider. So I hope that you all have an enjoyable days racing and may I remind you that our next meeting at Llandow is on Saturday, June 15th 1974. All entrants to todays meeting will automatically get regs and entry forms sent to them. Also we have a Sand Race meeting on Aberavon Beach, Port Talbot on Sunday, May 5th 1974.

Dennis Thomas.
Secretary.
