# IS A HOME MOVER PART OF YOUR AUDIENCE?

### Did you know?

Homemovers are by far one of the most profitable target audiences. They appeal to many services and business types.

**Why is this?** Home movers are euphoric about their new home and how they want it to look. Importantly they are ready to buy and have finances in place to buy your products or services.

### Where do I find homemovers?

Partner with us! We already partner with estate agents, conveyance solicitors, home builders and mortgage advisers.

Through our partnering agreements we can place your business and services in the hands of cash ready, euphoric decision makers. To get an exclusive one year agreement call today.
