Welcome, on behalf of the Basingstoke Motor Cycle & L.C.C., to the Bob Donaldson Trophy Scramble Meeting. You may wonder why our Club is so far from 'Home.' Our last course became unavailable some six years ago, since then we have been searching for a new one in ever-increasing circles. At long last, with the co-operation of Mr. Hatt and family, we are once more able to promote a Scramble Spectacle (we hope) for you the spectators, and sport for the riders. We think you will agree that this is a fine venue with great possibilities. We are aware that there may be shortcomings in our promotion here today, we therefore welcome any criticism, particularly, constructive criticism, so that we may make future events better for all to enjoy.

In order that we can retain the use of this course we ask you, the public, to co-operate with us in preserving the state of the surrounding hedgerows and fences. The surrounding fields are definitely out of bounds. Please keep out.

The fine entry of riders we have today should provide some first-class racing. As ever, the juniors will provide thrill and probably spills in their no-holds-barred racing, and the club has high hopes of a win by a member. At any rate, the Club members putting up the best performances in his races will win the Fred Slade Cup, donated by one of our founder members.

The sidecar entry reads like a 'who's-who', with all the top aces. We are assured of some fantastic racing from the 'chair' boys.

Our Expert Class, too, should bring some excellent close racing with a well-balanced entry. The winner of our main event, the Bob Donaldson Trophy, donated by our President, could be any one of half-a-dozen riders.

We hope you have a good day's sport either watching or riding, and look forward to seeing you at our next event.

Don't forget. Please take your litter home with you or use the bins provided. Drive carefully when you leave, especially through the village.

BRYAN MAYNARD.
