LYDDEN HILL - ROUND 4

Welcome to Lydden and the fourth round of the VMCC Historic Racing Championships. A special warm welcome to the Velocette Owners Club who are our sponsors for this meeting. Richard Adams' notes will give you full details. There will be a post-racing get together around Richard's 'van' that will include an awards session and a barbeque, everyone is welcome.

Mike Powell extended his existing championship lead at our last meeting at Anglesey, in the M.A.N. Flying Systems race for Formula Bantams. Martin and Michael Nash De Villiers will be looking to get some good results to try to reel in No. 33 Mike on his 1971 Bantam. Over two days racing with luck and skill anything is possible.

Martin Page (No. 10) and Stuart Tonge (No. 154) will take to the track with equal points in the Temper Recruitment Services Limited 350cc Championship, matched closely in power and ability this could be the hardest fought set of races.

The sight of the pack of siddecars, three and four abreast heading for the same apex point is chilling. More chilling when you know that No. 41 Steve Harham and Daniel Toone and No. 50 Andy and Yvonne Hunt will hold their position to the point where it is necessary to shut your eyes and hold your breath. But don't, the siddecar races are not to be missed.

The Integrated Control Solutions (I.C.S.) Championship leader No. 108 John Butcher now has a strong lead over the opposition, but Mark Capewell, Phil Wade and Mike Kemp will be working hard to gain vital points.

The Club would like to thank all their Sponsors, Marshals and Officials who make the meeting possible for all of the Riders and Spectators.

Have a great weekend. Hope to see you all next Saturday at Darley Moor near Ashbourne, Derbyshire.
Steph T.

VELOCETTE OWNERS CLUB RACES AT LYDDEN 2000

Once again the Velocette Owners Club are pleased to be sponsoring this VMCC meeting at Lydden.

The highlight of the day should be The Arthur Lavington Trophy Race, which is for Velocettes only. For those of you who do not know who Arthur Lavington was, he was a stalwart of the Velocette Club back in the late 50's and 60's. He raced in the TT on his Mk VIII Velocette most years from 1954 until 1969 when he unfortunately had a fatal accident at Alpine Cottage. The Arthur Lavington Trophy has been keenly competed for since 1972 and is now an institution amongst Velocette racers.

This year Arthur's beloved KTT will hopefully be circulating in the lunchtime Circuit Tour for Velocette Owners and their Classic Machines.

Other races will be the Velocette V BSA Challenge and a round of the season long Dave Allcock Championship for Velos.

This year the Velo Club are having a BBQ on Saturday evening, hopefully starting at about 6.30pm, up the top end of the paddock at my encampment (No.170) please come along and join in.

We will be starting with the Trophy Presentation for the day's Velo events so come along and applaud the winners!

On behalf of all Velocette Owners I would like to thank the VMCC Historic Racing Section and all their officials for making it possible for us to run these events.

Cheers

Richard Adams.

Performance with Speed

For over 30 years Pertemps Recruitment Partnership has been at the forefront of recruitment to the industrial market sector. So when the biggest names in the industry are looking for quality staff the chances are they're talking to us.

We provide a broad spectrum of resourcing services to the industrial and driving market sectors and can source most temporary and permanent engineering, warehouse and driving and manufacturing personnel.

With over 40 sites nationwide we can ensure that staff shortages caused by absenteeism, work overloads or otherwise can be met without a problem. All our consultants are professionally qualified and have access to a large database of pre-screened candidates. We therefore have the ability to provide staff at short notice with the experience and skills that meet your requirements.
