Are you a Motorist . .

or a DRIVER ?

There is a big difference. The Motorist uses his car simply as a means of transport from A to B — probably has a radio fitted and dreams whilst he drives; a very dangerous past-time!

A **DRIVER** considers the safe handling of a car an art and is constantly improving that art by applying his mind to the job. He uses his vehicle adroitly and expertly at all times in a manner to produce greater efficiency in traffic flow — this includes the art of allowing other people to overtake safely as well as the art of overtaking other people safely.

DURING THE WINTER MONTHS THERE WILL BE

Drivers' Courses

at

LYDDEN CIRCUIT

These will normally be held on a Sunday and members will use their own cars which must be in A1 mechanical condition. In certain circumstances use of course cars can be arranged.
