

A bike doesn't just become a classic.  
It has to earn it.

On the road or on the track, every Honda is designed to prove that a classic bike doesn't have to be an old bike.

## WELCOME TO CLASSIC LYDDEN

Seems like only a few weeks ago that we were wondering what would happen when the clocks nudged us into a new century; would the world come to an end?, would the traffic lights work?, would the computers at work pay our wages and more importantly would the winter rebuild make the race engine faster and more reliable!!!

Now here we are at our penultimate meeting of the 2000 season and the summer (of sorts) rapidly running out of steam. Our last gathering here in the Garden of England turned out to be blessed with good weather and racing to match. Lets hope we are in for a similar treat this weekend, with our championships close to being decided I suspect some folks will be trying that little bit harder to see if they can wrap things up before the seasons finale at Snetterton.

Talking of Snetterton (September 9 / 10) we have incorporated some special races in our Sunday programme. As well as our usual Race of the Year series in which all Championships are over and the races are purely aimed at deciding who is best on the day we have a round of the Lansdowne Cup series and two races under the auspices of the International Historic Racing Organisation (IHRO). These will bring some additional highly respected talent and exotic machines to our paddock. So see you there!

*Phil Date*, Editor C.R.M.C.

## EXTRA, EXTRA READ ALL ABOUT IT!

Software, hardware (and possibly Tupperware for all I know) have conspired to keep racers and camp followers in the dark this year as regard the Championship standings.

After much effort behind the scenes by club officers I am pleased to say that I can bring you all the Championship standings up to and including our Mallory Park meeting. In the following pages the positions of the top ten in each Championship are set out. If any riders notice an error please draw it to the attention of the race office. We have a volunteer who has undertaken to investigate race results and ensure that the tables are accurate by seasons end.

In the mean time the CRMC would like to take this opportunity to thank all of our sponsors who make the championships possible and TGA Racing Services for their support of our results service.

*Phil Date*

P.S. The Committee would like to apologise to all riders for the lack of results at the end of the Mallory meeting. The photocopier which produces the sheets died an irreparable death during the afternoon leaving the office staff unable to copy off the sheets as is usually expected.

The **Charlie Sanby Trophy** is an invitation race for Group1 500cc and 350cc motorcycles. The race is held each year at Lydden in memory of Charlie Sanby - a previous winner of the "Lord of Lydden" title. Charlie was a frequent rider with the Classic Racing Motorcycle Club until his death from cancer in 1993. Charlie regularly rode David James's Manx Norton at our meetings with great success. Wally Maisey, his ex-mechanic, and a few friends decided to donate a trophy in his memory. As Lydden was his favourite circuit it seemed to be the obvious choice for the race to be held here. It is hoped that Wally will be present today to present the trophy to the race winner.
