

A bike doesn't just become a classic.  
It has to earn it.

On the road or on the track, every Honda is designed to prove that a classic bike doesn't have to be an old bike.

## WELCOME TO CLASSIC LYDDEN

Welcome to sunny (hopefully) Kent for our second meeting of the season.

We welcome a large contingent of riders over this weekend from the continent, of course some them have travelled shorter distances than our members from "up North". We also welcome our friends from the Scottish CRMC, the Vintage Owners Club and the Gold Star Owners Club.

One notable absence from our riders this weekend is last years 750cc Production Champion, Brian Wackett. He has become the victim of some serious bad timing and has allowed his wedding day to clash with a race meeting!! All of us at the club wish him and his lovely wife to be, Margaret, all the very best for the future.

Our season opener at Cadwell Park gave quite a lot of work to the mechanics with some spectacular machine damage; thankfully, as far as I know, there were no serious injuries to riders.

Come on lads lets see if you can stay on all the way round during this weekends races! Here's hoping every one has super and safe weekends racing.

*Phil Date*, Editor C.R.M.C.
