Today is the 14th and Final Round of our 1995 Championships, we have now got 9 Class Championships with a declared winner, both F2 Sidecar titles are now safely in the hands of Debbie and Dick Hall, in each Paul Kent and Wayne Keen have chased hard, but not doing the early rounds in the series it has left too much to be made up, but they have tried, but time has beaten them. Dave Cohen has taken the BKVP Sport Novice, Andy MacDonald has clinched the Paul Blanks 350cc LC title, all the EROS Championships have been settled, Nick Bramley having already clinched the 125cc, Chris Basham taking the 250cc, the Unlimited going to Trev Stafford who has now sold his Championship winning bike, with Gordon Taylor cleaning up the Mzs. Rik Ballerini has clinched the Paul Blanks TZR title.

The overall championship title is still fairly close with only 7 points separating 125cc Champion Nick Bramley from Novice Champion Dave Cohen, in fairness it should be easier for Nick to retain his lead than for Dave to gain the advantage, if only from the point of the numbers entering their respective classes, the Taymar Formula Junior is really tight with Toby Clarke leading Mick Fincham by a single point, that really will be a tight finish, in the Allan Russell Formula Junior the positions are reversed with Mick holding a 5 point advantage over Toby, so lets hope for some good racing to decide them both.

The Paul Blanks 250cc LC has Paul Hogan reversing the position from the last round as he now leads Colin Slaughter by just 3 points, with young James Porter still in with a shout only 3 points behind Colin.

The Dave Burford Open Junior has Paul Ditton leading Dougie Dean by 19 points, but Dougie has still to use his double points, there are many variations to change the finishing position, if Dougie was to win with Paul not scoring he would take the title, but if Paul finishes in second place he would put the title out of reach, the other possibilities I wont go in to lets just see what happens, and may the best man win.

The Rocksteel Open senior has Steve Goodyear leading Steve Dyer by 15 points, should Steve D win with Steve G not scoring they would tie on points, the win going to Steve Dyer on the number of wins, to put it in a nutshell Steve Goodyear must get a minimum of 1 point to be sure of the title.

Last but not least we have the Open Class Sidecars, all three leading crews have had their problems over recent weeks, Jeff Matthews the leader of both the Bikebusters and Stan Charles suffering a suspension failure, then at the penultimate round being shunted from behind, Tony Chilcott had a major moment which left passenger Paul Matthews with a broken arm, whilst Tony Fitzmaurice will wish he had never heard the word oil, in the Bikebusters Series Jeff leads Tony Chilcott by 9 points, therefore this title will be between these two as Fitz cannot make up his deficit as he can only score 15 points which is just one short for the title, but it would give him second place, Fitzys glory could well come in the Stan Charles Series, where he is only 1 point behind Jeff, Tony Chilcott cannot improve on his third placing in this series, but will surely be in there mixing it, so will we see Jeff scoring a double, at least he has the consolation that he cannot finish lower than second in either, with the last race of the day being Sidecars we will have to wait right to the end to find the answers.

Nearly all of our championship winners and placemen have booked their place for the Dinner Dance, unfortunately those that have not done so will not be able to get in, we had a limited number of places available which have now all been taken, and following discussions with Hotel we have been able to increase the number slightly to accommodate those that put in their application, this will be the biggest Dinner Dance we have had for many years, certainly since I took over the running of BEMSEE, whilst we would like to see everyone there it is unfortunate that we will not be able to, so for those hoping to put in late applications I offer my apologies but we cannot get any more in.

**THANKS TO OUR SPONSORS  
&  
COMPETITORS  
&  
MARSHALS & OFFICIALS**

Now we have reached the end of our 95 season we would like to thank all our sponsors, competitors, marshals and officials, all of whom play their part in the running of race meetings.

Our own sponsors who provide the finance to enable us to run the individual series, the competitors sponsors for making it possible for them to take part in the meetings, this also includes wives girlfriends, mums dads, and even friends who all give their much needed support, so come on lads now we are at the quite season you can do the jobs at home that you have promised all season, if any of you are really bored my own house has'nt seen a paint brush since 88, so dont be shy just let me know and I will get the paint.

Our band of marshals who stand out in all weathers to ensure your safety, and should things go wrong they are there with words of comfort as you dust yourself down, the scrutineers who carry out their thankless but most essential task of making sure you hav'nt left anything loose, they really are'nt the ogres you sometimes think, they really are looking after your safety.

The officials who run the meetings from those in the assembly area to the clerk of the course and his team, they all have their part to play in the running of a safe and smooth meeting, then of course there are those that you never see who prepare the circuit for racing.

Last but by no means least are our medical teams, we think they are the best in the business, which is what we think of all those that go towards the putting on of a race meeting, that also includes the competitors who really are a friendly bunch, I must say that this year although hard work has been a real pleasure, every meeting seems to be fun, which after all is what we are all doing it for.

If you as a competitor have enjoyed your season with us, dont tell us tell your friends, the more competitors we have the more we can keep your entry fees down, this year our entry fees have been cheaper than most other clubs, for your benefit we want to keep it that way, hence the window stickers advertising the meetings, as we effectively get a return from public admissions, the more that see the stickers, the more come through the gate, we will pass that increase on to competitors by way of keeping entry fees down.

Some of you will have been upset during the year that we do not allow passes to be left on the gate for collection by others, the simple answer to this is that if a competitor enters the circuit during the night and therefore does not use the passes issued, if these passes are then offered to others we are effectively losing £6.00 for each ticket used in this way, that means less in the kitty and a possible rise in fees, basically the more paying guests we have at meetings the lower we can keep your entry fees. Competitors who enter meetings in good time are issued their documents and passes in good time for passes to be forwarded to those not travelling with you, this does not mean you can give your passes away and come over night, as we do sometimes put on gate staff overnight, then if you have no pass you will have to pay, we are also altering the passes for next year so that competitors passes are not usable 30 minutes after the start of practice, just think about it and you will understand our motives.

Enough of the gripes have a thoroughly enjoyable day and if we dont see you at the Dinner which is now full with a waiting list have a good chrispy and we look forward to seeing you next year.

**Congratulations to the new  
LORD of LYDDEN  
TOBY CLARKE**

**Have a good final days racing in 1995 and
