DAVID & GOLIATH - THE SEQUEL!

TODAY'S meeting sees the first of five, or possibly six, road-race meetings to be held here this year. The one date that is still provisional is for August Bank Holiday Sunday. So, already we can look forward to a much better season than last year, especially considering that the Circuit is hosting a round of the British Clubmans Championship for the first time in several years.

It is always difficult to predict the outcome of any race at this stage of the season, because some riders will have retired from the sport, some have taken it up looking for fame and fortune and some are continuing but have changed their machinery during the winter respite.

Nevertheless, we should witness today a classic David & Goliath encounter during the 240-1300cc event, when Sittingbourne's Richard Chesson meets the current Lord of Lydden, James Bunton, from Edenbridge. Not only is James much larger in stature, but he also has the mighty power of a Yamaha FZR1000 at his disposal, whereas Richard relies on his more nimble, race-bred RSR250 Honda.

Other solo entries received, so far, include the Ashford pair, Mark Raggett and Trevor Stafford, who always go well here. The supporting events include races for 250cc, 350cc, Four-Strokes, Big Bikes and Production machines.

Biddenden's Brian Reeves and his passenger Dave Fordham will be looking for another victory in the sidecar event, although Steve Humphreys/Peter Walker, Canterbury's Shaun Baldock/Peter Shillito and the father-and-son pairing, Ray and Ian English, will also be in contention.

Let battle commence!

KERRY DUNLOP.

Event 2 Solos 176cc to 350cc 6 Laps
Race 1 - Heat 1

Note: For all races, the numbers shown after the riders machine indicates the proposed grid position, the organisers however retain the right to alter these as they see fit. In cases where heats precede finals, a riders finishing position in his heat determines his grid for the final.
