**Cadwell Park July '97**

*(If you can bottle that atmosphere I'll take some home please!!)*

Well the meeting we were dreading all year from an organisational point of view turned out to be one of the best away meetings I can remember.

The challenging GP circuit was popular with all the riders who showed that even at circuits we haven't been to before, the Bemsee Boys are definitely no pushovers.

Talk in the bar Friday night was of the "Shandy Drinking Southerners" getting a right thrashing come race day but all this turned out to be bar-stool bravery as **Pete Branton** brought home his ageing bones (oops!) I mean KR1 ahead of the pack on the opening race of the weekend. Just to reinforce the fact that our regular riders are probably the fastest at any club **Andy Woolrich, Ricky Chadwick, Shane Byrne** and **Steve Dyer** shared out the honours in the 600 class all weekend. The joker in the 600 pack turned out to be **Mal Sampson** who finally hit the form I have known he was capable of recording a best ever result of 2nd in the SS600 in the wet followed by a couple of 4th places in the dry.

The 350LC races saw **Fin Reynolds** and **Nathan Stapley** battling up front with **Nick Chadwick** but the rider in this class who is on the steepest learning curve has to be **David Harris** who took his first trophy at Cadwell. **Mark Walford** was dominant in the TZR class and when **Ricardo** returns from injury there will definately be a dogfight at the front of this lot. The strength of both our 250LC, 350LC and TZR classes is such that there are a few riders who refuse to ride with us because they are unable to get in the top 5 whereas at other clubs they can win with ease!! **Is that really sport?**

250LC hot shots **Lee Saunders, Charlie Blackmore, Paul Reeves** and **James Porter** have been joined by **Mark Chadwick** who's potential scares even big brother Nick!!

At Cadwell the 250's had the unusual format of running with the big singles, the only one of them to get the better of the LC hooligans was **Lucky Jim Porter** running under number 99 for a change! Jims verdict on the LC s was "I only went that fast to stay away from the nutters! My own son included". Jim also won the Glover Trophy for being the only man to get 6 outright wins from 6 starts. **Stuart Shaw** is back today at Lydden to try and put the old man in his place!?!

Other star riders at Cadwell were **Man of the Meeting Ricky Chadwick** who won the award for 8 good rides but one in particular where he ran onto the grass on lap one and rejoined 200 yards behind the last place man. Instead of giving up Ricky charged right through the field to finish 6th and record some valuable championship points!

Novice of the Meeting was **Gordon Samuel** who is going to be harrassing **Andy Denyer, Arran Marshall** and **Kevan Powell** soon. **Richard Diamond** saw off the northern MZ contingent and had some excellent races with **Chris Neal** and **Ross McKinlay**.

All of which brings me to the Sidecars. **Phil and Glen Wareham** managed to perform a triple axle, double backflip dismount which looked like being the most dramatic get off of the weekend until **Tony Fitzmaurice** and **Mark Cox** performed exactly the same exercise but 50mph faster! Both crews were unscathed but HMS Fitz now looks like it needs a couple of weeks in dry dock!

**Trevor Rudolph** and **Russell Hill** upheld the clubs honour in the F1 stakes simply refusing to concede defeat to the local circuit specialists and gaining a lot of respect from, among others, the Circuit Manager himself. This pairing has proved quick at every venue we have visited and I believe they are relishing the challenge of taking on the locals when we visit Pembrey next month.

**Tony Smith** and **Darren Harper** took one well earned win but lost out in the next race when Tony forgot to reload his torpedo tube....(ask Tony)

**Trevor Stafford** and **Alison Cornwell** took the honours in a hard fought F2 class with **Simon Kilburn/Les Southernwood, Paul Ziller/Alan Meeten** and **Dougie Murie/Martin Atkinson** having a blinding scrap all weekend for second and third.

Well I hope you all enjoyed Cadwell Park, the circuit enjoyed having us there and thought ours was the best club racing they had seen for years!

## Jack Budd, 65 and still well suspended!

The Brylcream Kid started marshalling over 45 years ago and over that period he has pulled many famous names out of the kitty litter. Jack served in the RAF in Aden (a Very Hot Place) and was actually demobilised on Guy Fawkes Day! Perhaps that's where he first realised his fascination with fire extinguishers as he has been hanging around with them ever since.

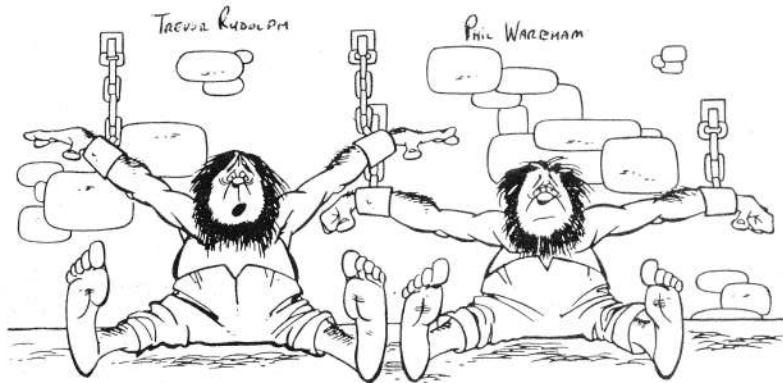

His usual haunts were Graham Hill Bend or Surtees at Brands Hatch or if you want to catch a glimpse of the handsome devil?... today look no further than paddock Bend. Jack is one of the most likeable blokes on the circuit but he does possess a somewhat cutting sense of humour and once he has found your range you could be bang in trouble.

He will probably arrive by car today as he is a typical motorcyclist and has probably got his bike in its component parts in his garage at the moment. More to the point he is currently awaiting a hip operation and it is testament to his commitment to the sport is such that he is still on post most weekends. I think a quick chat with the Ohlins technician would see him superbly suspended for a few years yet.

At this point it might be worth remembering that thanks are also due to his wife Pat who like a lot of riders wives/girlfriends supports Jack in following the sport he loves. Ron Humphries tells me that he is trying to get Jack to bring Pat to France with us next year so she can keep the whole corner fed and watered! (I think she just wants the chance to do the Can-Can...)

We all have certain people we look up to and they are usually those at the glamour end of the sport, but take a look around the tyre walls today and there are the people who regularly give up their weekends so the rest of us can race, and the only reward they get is the pleasure of doing a good job! So let's all take a moment to say

**thanks** to Jack and all the other **Men In Orange!** (and girls too!!)

"I told you we shouldn't have overtaken under Yellow Flags at Paddock Bend. When Ron and Jack say **Punishment** they really mean it!!"
