The above times and speeds are relative to BEMSEE meetings only and are included in good faith, they cannot be recognised as official records.

Here we are at our 3rd meeting of the season which will have given us 4 days racing over just 4 weekends, it would appear from comments made by a number of competitors, and by the times recorded during racing that the work carried out on the track has paid dividends, most times have dropped with the obvious raising of speeds, this is what you get with constant grip and a smooth surface.

One other feature is the Bar and Cafeteria situated on the first level of the paddock, it is something many of you have been asking for so please make use of it.

You will find elsewhere in the programme a list of championship points to date, and whilst it is nice to see the old faithfuls bagging some points towards their titles this year, it is very pleasing to see a lot of new faces, not only at our meetings but doing well in the championships, it would be nice to get some feedback from competitors as to whether they are happy with the way things are run, or would they like to see changes, if you are not happy come and see us, we will do our best to rectify things. Unlike some clubs we don't bite.

At our first meeting we had scooters, whilst today we have Quads, for those that have never seen them they should be exciting, once they get to grips with the circuit as it is the first time they have been here.

For those that have not been advised our meeting at Elvington has been cancelled, due to the Army wanting to use the circuit on the Sunday, the Board took the decision that it would be unfair to ask competitors to travel that distance for one day's racing, we do apologise and hope you appreciate the decision was taken in the interest of competitors, we can if needed run an extra day at Lydden on June 26th, which would not form part of our championships, just an extra day's racing, if you are interested let us know and we will organise it for you. We will try to keep the cost lower than normal.

On a very sad note I have to advise that during Sidecar practice at our Easter Sunday meeting Ian (OZZY) Wilson from Deal, a sidecar passenger received fatal injuries, those of you who were fortunate to know Ian will realise that he will be very sorely missed.

Ian leaves a wife and two young daughters, one of 6 years and the other coming up to her 4th birthday, we would ask that you support our appeal to make life just a little easier for them all, particularly young Emily who won't have her dad there on her birthday, we will be taking a collection during the weekend in the race office, we would ask that you show that motorcyclists are caring thoughtful people by digging deep and donating to a very worthy cause, just think what the cost of one pint less makes at a time like this.

Yours in Sport

Terry Mount.
