EDDIE EDWARDS

It is with deep regret that we have to inform you that Eddie Edwards, husband of Jean, who has been the riders photographer at more meetings than I care to remember and indeed provided the photo used on the cover of this programme, passed away on Friday 3rd June, aged 71 years.

Whilst Eddie had not been in the best of health recently he was still active behind the lens, and in the darkroom, fortunately he did not suffer pain, yet another of our friends to succumb to the dreaded cancer.

We would like to offer not only our condolences but those of every person connected with our beloved sport of Motor Cycle Racing, and we shall all miss the blue car with the two cheery faces parked by the scrutineering bay at a number of circuits, to any competitor who has outstanding photo,s to collect please contact Jean on 081 653 9844.

The Ramblings of an Idiot.

We are back, yes it has been a long time from 17th April until today, but unfortunately it was not considered worthwhile to make the long trek to Elvington in May, once the Army had insisted on using the site on the Sunday, we do hope that you all agree with our decision.

Lydden will not be much different now to what it was in April, yes the grass has grown and grown, and likewise been cut more times than I can count, the Cafeteria and Bar is now fully functional, would be nice if the operators put the two buildings together, to save going outside with the breakfast, if you agree let those operating the facility know your thoughts, but seriously it is better than eating burgers out in the open, the Bar will normally be open during the Saturday evening on 2 day meetings, and on Friday night prior to Saturday meetings, subject to demand, there again if you want this facility let the staff know.

Whilst we have not had the time or money to rebuild the toilets as yet, they have all had a coat of paint, so are now clean and tidy, let's hope you keep them that way, with the last comment in mind if we find that they are being used as toilets, not engine washing bays, or a cheap source of loo paper then when we do rebuild we will make more effort, and hopefully include more creature comforts, ie, showers and a baby changing area for the mums and children.

Many of the competitors here this weekend will be having their first ride of the season at Lydden, some their first ride ever, if you enjoy your experience, don't tell us, tell your friends, if you have a complaint let us know, only then can we make moves to give you what you want.

On a slightly different note many of you will be aware that on Easter Sunday Ian (Ozzy) Wilson passenger to Martin Stokes died as a result of a freak accident, a collection was held at our next meeting for Ians wife Sally and two young daughters, only motorcyclists could dig that deep in hard times, the total collected that weekend was a whopping £812.64, with a further £100.00 coming in by post, you are the tops, at times like these only motorcyclists could react like that, Sally sends her thanks to you all, and will be visiting Lydden on our EXTRA DAY on June 26th, yes next weekend we are running an additional meeting, which will include The Ian (Ozzy) Wilson Memorial Race, Sally has put up a very grand trophy, so why not enter to show your support, and if you are a chair crew you could be the lucky recipients of the trophy, there will be trophies for all races on the day.

The 26th June meeting will be a car bike affair, we will use the circuit first, when we are finished the Oh Dear Brigade do their bit, should be fun, and we have dropped the price to £45.00 for 2 rides, there are 2 rides for all classes, so put in your entry and support not only us but Ians family, if you have not yet entered come in and see us.

Finally a word of thanks to all those who have been helping with the restoration of the circuit and facilities, one would have thought that with the number of members we have, more than a handful could not turn up to give a hand, some have been every weekend since we moved in in January, I won't name them as they will be embarrassed, just a shame they haven't had more help, if we had we would have got more done than we have.

Yours in Sport

Terry Mount.
