

A bike doesn't just become a classic.
It has to earn it.

On the road or on the track, every Honda is designed to prove that a classic bike doesn't have to be an old bike.

CLASSIC LYDDEN HILL

The C.R.M.C welcome you all to Lydden Hill on our return from our mid-season break, some of you have been busy racing at CHIMAY, METTET etc. I know because I saw a large C.R.M.C. contingent there. I must now hold the record for the shortest time in METTET full story in next issue of OPEN MEGGA. As In previous seasons on Sunday we shall holding the CHARLIE SANBY memorial race in memory of the former club member. Charlie was known as the 'LORD OF LYDDEN' for his exploits around this tight circuit.

For spectators as we don't start racing on Sunday until after midday so you have got ample time to wander around the paddock and see all the wonderful machines on view.

For us riders don't forget our chance to cheer one of our clerk of the course's TONY SPARROW as he gets sheep sheared.
