## Abbott Ahead Again?

Today's meeting is the climax to the road-racing season at Lydden. Although there were less events than usual this year, rest assured that the situation will improve dramatically in the coming seasons. Circuit owner Tom Bissett is a keen motor-cycle enthusiast and former moto-crosser, so he has already planned many more road-racing events for next season.

Traditionally, the Sidecar Burn-up provides an opportunity to see British Championship contenders making their annual visit to take on the Lydden regulars. This year Steve Abbott is the star attraction, although Clive Stirratt will be anxious to take him on. The very experienced Brian Reeves, a plant hire operator from nearby Biddenden will be able to make the most of his circuit knowledge, and Dave Lockyer is another who has already proved his worth here on many occasions.

Triple world champion Steve Webster was invited to take part in the event, but unfortunately he can now command such a high appearance fee that he priced himself out of the meeting.

As some consolation for Webster's non-appearance there is a first class solo entry including Tim Bourne (Honda RC30 or his new Yamaha OW01), Gary Weston (Yamaha OW01 or FZR 600), and Dave Redgate (Yamaha OW01). Any one of those four could emerge as the outright winner. It is always difficult to make predictions when late entries are likely to be accepted, but unless Nigel Froud or Mark Whiting turn up Richard Chesson looks like the man to beat in the lightweight classes now that he has got to grips with his recently-acquired Honda RS250R.

For many competitors this will be their last race of the year, and so the action is likely to be fast and furious as they will be anxious to impress potential sponsors. Let us hope that their efforts are suitably rewarded, and we can look forward to a much better season next year.

**Race 8** **Incorporating F2 and Classic Classes - Heat 2**

There will be allowed up to 20 starters in the both qualifying races for the Sidecar Burn-Up. These are listed below. In the event of non starters the Organiser's reserve the right to select drivers from the second qualifying heat to ensure a 20 outfit grid in the first qualifier and likewise the Organisers will ensure 20 starters in the second qualifier made up by inviting some non qualifiers from the first qualifier. The first 9 drivers from each qualifying heat will race in the Grand Sidecar Burn-Up plus 2 outfits selected at the Organisers discretion to race in the "Burn-Up". All non finalists from the two qualifying races may race in the Sidecar Consolation event. The grid for all Sidecar events will be at the discretion of the organisers with the aim of putting the fastest at the front.

**A TRIBUTE TO A RACING MAN**

It is with deep regret that the Astra M.C.C. has to report the death of one of its ace members. Dave Burford, the well known and respected rider from Sittingbourne, crashed during practise at Brands Hatch last Sunday, October 15th and succumbed to his very severe injuries on Tuesday, October 17th. Dave started racing in 1981 and soon made his mark with numerous club wins. He will long be remembered!

Our sincerest sympathy to Sharon.

**"WE SHALL MISS YOU DAVE, REST PEACEFULLY."**

**Bill Chesson for the Astra M.C.C.**
