

THE ALL-ROUND PROTECTION PROGRAMME FOR BIKES

Duckhams have created a very special range of lubricants – exclusively for bikers.

In fact, it's much more than just a range.

It's a whole protection programme. For everything from engines right down to forks and chains. And for every kind of bike from mopeds to superbikes.

There's Duckhams Motorcycle Oil for 4-strokes, Duckhams 2-stroke Oil, Duckhams chainguard, Duckhams Fork Oil, plus a thoroughly comprehensive selection of other oils, greases and brake fluids.

All of these lubricants have been specially designed to meet the demands of today's machines and riding conditions.

See the Duckhams protection programme at your dealers now. And give your bike the utmost care.
