BEMSEE, S 1994 NEW LOOK

This season sees the start of a new phase in the history of the club, we have now taken a lease on Lydden Circuit from the owners McLaren International, as you will see the entire circuit has been re surfaced with in excess of 1300 tons of tarmac, this will now afford riders with a safe and constant surface on which to perform their craft.

Other improvements include a replacement medical centre, which we hope you will not have to use, and a signing on office, the timekeepers box has been extensively re furnished, whilst the original cafeteria which occupied the ground floor in the distant past will be turned in to accommodation for Stewards and Senior Officials, there will be a cafeteria in the paddock area (hopefully this will be operational in time for today's meeting), in the very near future the toilet facilities will be improved, who knows there may even be showers, we will do our best to improve the facilities, bearing in mind the majority of work is carried out by volunteer labour provided by club members, it would have been nice to see a few more prepared to give up their weekends, to make life more pleasant for those indulging in the sport they love, however it is not too late, all offers of help will be greatly appreciated, even cheap rate or unwanted materials go a long way to keeping the cost down.

THE 1994 RACE SEASON

Today is the first of some 12 days racing at the circuit to be operated directly by the club, with other dates to be organised by other clubs. We will effectively be running 3 Championships within each meeting, the first part of the programme will count towards the overall club championship, with a healthy end of season prize fund, the second part is counted towards individual class championships, there is also a Lydden Championship for solo and sidecar competitors, which will be a ten round series, we are also bringing back the Lord of Lydden race day, also the sidecar burn up, both of which take place later in the season.

Points for all series will be on the scale of 15,12,10,8,6,5,4,3,2,1. which can be doubled by the use of the double points option card, which will give double points for the day on which it is declared only. Each round will have a fastest recorded lap award of £50.00 plus a trophy, which will be awarded to the competitor who comes closest to or exceeds by the greatest margin the current fastest recorded lap, we are indebted to Dave Stewart of Gatwick Tyres for the provision of this award, if you want tyres why not give Dave a bell, the only way to get them cheaper is to nick them, who knows if you take that option you may even get a state sponsored holiday for your trouble. There is also a Sidecar Bonus award provided by FAST TYRES of £400 for 1st, £250.00 for 2nd, and £100.00 for 3rd for the teams gaining the most points during the Club Season, the requirement is that the teams use FAST TYRES and carry the FAST TYRES decals, that can't be bad can it?

MAKE A NOTE OF THIS DATE

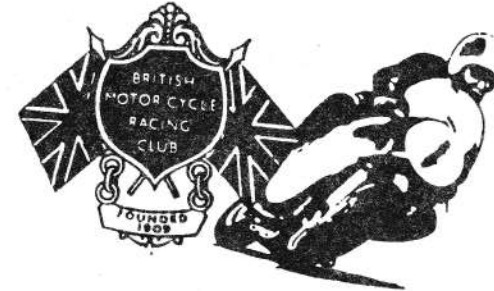

At the end of the season what do you do, sit at home and mope, watch Bob Keens Videos, or take er indoors shopping, why not gain some brownie points, take er shopping to get her finery and treat her to a night at our Annual Dinner Dance and Awards Evening, which this year year will be on Saturday 26th November at The Brands Hatch Thistle Hotel. Now the bad news after holding the price for the last 3 years we are forced to increase it to £27.00 for members, with 1 non member at the same rate, other non member guests are £30.00, yes this is a big hike in price, but apart from normal price increases, we are now forced to pay the dreaded VAT on ticket sales, so dont blame us blame the VAT man.
