May I welcome you all to the new-style Marlboro Express Championships, an always exciting series devoted to the continuous efforts of our struggling Clubman racers... Britain's Stars of Tomorrow.

This is the fifth successive season of a challenge which Vernon Cooper, the enthusiastic Chairman of the Auto-Cycle Union Road Race Committee, rightly describes as an "outstanding success story".

So much so, it is proposed to show the Grand Final, at Silverstone in September, on BBC Television for the first time.

Once again we are fortunate, in these days of costly competition, to introduce the support of Centurion Helmets. The Norfolk-based company will kindly donate their protective headgear, to the Men of the Meeting from both solo and sidecar classes, at each of the ten rounds.

They join a talent-seeking crusade that has always been an outstanding example of all-round team-work. It has come through regular coverage in the columns of the Daily Express. Plus, of course, the encouraging backing from MotorCycle Weekly, Motor Cycle News and Motorcycle Racing.

Jimmy Brown, Managing Director of Silverstone Circuits Limited, has been a constant inspiration whenever these championships have been discussed. Like all of us, actively associated with both motorcycle and Grand Prix car racing, Jimmy and his colleagues realise the need to encourage those at the foot of the motorsport ladder.

And it has paid off. We feel we have all helped in giving a sound incentive to many riders, beginning with Wigan's David Dean, our first Champion of Champions, in 1979.

However, it would not have been possible without the help of so many club and circuit volunteers. To them, and you... the vital spectators... we offer a sincere vote of thanks.

To all our brave competitors and their mechanics, I say: Good Luck! Win or lose, may your road to Silverstone be enjoyable and memorable.

K181

K98

We've got news for you bikers who still think Dunlop tyres are difficult to come by.

They're not.

Whichever Dunlop tyres you want for your bike they're readily available. Not only that,

but we've now got more Dunlop tyres for you to choose from.

In addition to the K181, K91 Red Arrow and K98 Rain Cheetah, we've introduced the K181 Tubeless and K181 Qualifier (a raised white

lettering tyre in 16", 17" and 19" sizes).

So if you thought you were about to have to settle for tyres that fell short of ours, now you know you can catch up.
