## Mounties Mutterings.

First the bad news,I have been unable to confirm a replacement date for Silverstone at the present time,therefore taking in to account peoples holidays and other commitments, I have decided not to run the meeting this year,but I shall be meeting the Silverstone Management shortly to confirm a date for 96.

Now on to some better news,many of you will remember that at our Easter meeting Greg Payne took a nasty tumble at Devils Elbow which resulted in him spending a considerable time at Stoke Mandeville,I am told that Greg is now at home but is unfortunately paralysed from the waist down, I have had rumours that Greg is to visit Lydden before the season is out,I am sure like me you will be looking forward to seeing Greg.

Another of our recuperated riders is Nick Bourne,who had the distinction of travelling home from our French meeting by French Ambulance after taking a tumble at the end of the main straight when his brakes did not respond to Nicks grip,it is rumoured that Nick has his own staff at Maidstone Hospital as he was placed in the same ward as when he was transferred from Pembrey last year,at least he felt at home,and he was visited by a number of BEMSEE members,if you look in todays programme you will see that Nick is back again in the singles race on his trusty Suzuki.

John Attwood is another who is back following his tarmac testing exercise at a North Glos meeting,were'nt the cones big enough for you to see John,by the way we have booked for France again in 96,but hopefully I might understand a little French by then,so wont have to rely on you ordering my food,I was never quite sure what I was going to get,but it tasted OK anyway.

Following his solo accident at Snetterton which left Mark Cox nursing a very poorly leg,he had a try out in the chair of Fitzzy's outfit at Pembrey and is fortunately back in the fray this weekend,good luck to all of you nice to see you back doing your bit again.

As I have mentioned above we are scheduled for a meeting at Croix again in 96,at the current time I have negotiated cheaper Ferry Crossings than this year,but being a tight bugger I want them even cheaper,only time will tell,we have again booked Pembrey,and are hopeful that we will be returning to Snetterton again,providing we can arrange a date at Silverstone that will give us five circuits for the 96 season,there is a chance that we could race at other circuits,but we have to run Lydden which is our bread and butter,and whilst we are away racing we have to leave staff at Lydden to operate meetings run by others which not only means that the staff left behind don't get to other circuits,but it leaves us a bit thin to operate our awayday meets to the standard which we would like.

Whilst we still have some time before the end of our season I would ask that you look at our points system,basically are the points values right,and do we really need double points,in a nutshell give it some thought and let me know if you would like things to change,the mopre input we get from you the better things will be for you,it is your club so let's have your thoughts on how it should be run.

You will find elsewhere in this programme a booking form for our annual Dinner Dance and Awards Evening,this will again take place at the Brands Hatch Thistle Hotel,on Saturday 25th November,by popular request we have again booked Jet for your musical entertainment,reception will be 7.30pm for 8.00pm,if you or any of your party require vegetarian meals please advise on the form and we will make the required arrangements,as is normal we will do our best to seat you with your friends,the earlier you get in your application the better,also it makes my job a bit easier,the same goes for accomodation,at the present time I have not got a final figure,but it should be approx £25.00 per person inclusive of breakfast,whilst it is a lot of money it is much cheaper than normal and means you can have a good drink and not worry about driving,I know we are 4 months away but I have been asked by a number of people if they can book,so it looks as though it will be as popular as ever,so dont miss out as places are limited.

Yours in Sport  
Terry Mount.
