SAT/SUN 11/12 SEPT
SAT 16 OCT**

**HISTORIC
RACING**

Would like to thank all marshals and officials for their assistance today. Without you giving up your valuable free time we would be unable to run this meeting.
THANK YOU

Welcome again to the lovely Lydden Hill circuit in Kent and Round Three of the Historic Racing calendar. We also welcome back the Velocette Owners Club who are our regular visitors and sponsors for this meeting.

Last month saw us hold Round Two at Pembrey, South Wales with the sun shining on us all weekend, let's hope we have some of the same this weekend. Here's how the championships stand after Pembrey going into this weekend's events.

Event One - Tuers Garage Championship. Ian Bain had a good weekend and increased his lead over Mervyn Stratford.

In Event Two - Gibson Exhausts Championship, Mervyn Stratford picked up maximum points having four wins.

Event Three - Aston Road Garage Championship sees Graham Buller at the top of the table with Tim Jackson in second place.

Event Four - Old Bike Mart Championship. Here points are a bit closer with Ian Bain at the top and Ian Cramp/Mike Farrall close behind.

Event Five - Bennett Associate Championship has John Butcher at the top with a battle for second between Mark Capewell and Paul Wade.

Event Six - Palletforce Championship sees Ian Bain still at the top with Mick Hunter in second place.

Event 7A - Dave Mac Propshafts has Michael Smith out in front with Ian Cramp, Shaun Waters and Robert Walker chasing for second place.

Event 7B - The Featherbed Championship sponsored by Richard Adams who will be riding this weekend has Graham Williams just ahead of Andrew Bryan-Brown in the table.

Event 8 - Frenni Transport Championship has the team of Tim Miles and Matt Francis ahead of Nick Weston and Kerry Williams.

Event 9A - Copy-Tech Championship sees Derek Rand and Andrew Reaney at the top of the table, with Tony Bannister in second place.

Event 9B - Media Bus Company Championship has Greg Bibby and Paula Heaney in first place just one point ahead of Bill and Maggie Tuer, who will miss out on some vital points this weekend as they have other commitments this weekend.

Event 10 - The Albany Alarms Championships sees Mike Powell at the top with Stephen Woods and Peter Tibbitts sharing second spot.

Event 11 - The Norvil Motorcycle Company Championship for solo novice riders has Aiden Bent at the top with a tie for second between Joe Butcher and Angela Craggs.

Event 12 - The Norton Owners Championship has a tie between Ian Bain and Mark Capewell.

Event 13 - The Velocette Owners Championship has Ian Cramp ahead of David Burrell.

Event 14 - The Ducati Championship, new to the VMCC Racing Section for 2004 sees Bryn Shaw in first place with Graham Carter second.

Event 20 - The 50cc Racing Club Championship has Stephen Nugent Leading Steve Bedford.

The Solo Champion of Champions sponsored by Pertemps Recruitment has Mike Powell in first place and a tie for second between Lee Moore and Michael Smith.

The Brydon Sidecar Champion of Champions sees David Aungier/Neil Bartle in first place with Tim Miles/Matt Francis in second place.

With the possibility of four rounds of points to collect over the weekend, riders will be chasing hard to gain as many points from their opponents, and close the points gaps where possible.

We hope you enjoy the racing whether you are here for the day or the full weekend. Feel free to wander round the paddock and look at the excellent machinery that will be racing.

Have a safe journey home.

The Vintage Motorcycle Club - Racing Section

A Club Restricted meeting organised by the V.M.C.C. Ltd - Racing Section. Held under the National Sporting Code of the Auto Cycle Union, the Standing Regulations of the Auto Cycle Union for Road Races, the Supplementary Regulations and Final Instructions issued by the club.

Steelcraft is a company which specialises in taking steel to its limits. A consultancy and design firm founded in 1999, evolving out of the longterm collaborative success of our founder members Stuart Noble and Andrew Hunt. Steelcraft is a highly diverse company, providing expertise in a variety of different areas, through our 'in-house' design solutions to our unique product creation, we pride ourselves on our attention to detail and our concern for a customers needs in this specialist market. Our clients come from the public and private sectors and include architects, hospitals, theatre companies, catering... We offer outstanding quality for people who care about the quality of life.

UEM - Vintage Road Racing Cup

The Union of European Motorcyclists (UEM) started in 1995 as a part of, FIM (Fédération Internationale de Motocyclisme). The UEM organization is based upon its activities as Road Racing, Motocross, Trackracing, etc. The Vintage Working Group has responsibility for Vintage motorcycle activities in the UEM regarding; Vintage Road Racing, Vintage Regularity, Vintage Moto cross and Vintage Enduro.

Vintage Road Racing has become really popular in different places in Europe, and one of the leading countries has for a long time been England. In the purpose to uniform the activities The UEM Vintage Working Group has for a long time tried to get a member from England and now warmly welcome Mr Kim Allen of the VMCC.

The UEM Vintage Road Racing Cup has been arranged since 1999, first in the Scandinavian countries Sweden, Norway and Finland and later also in Slovakia. Normally the Cup will be held in 3 or 4 different countries each year. For 2004 the races will be in Norway (Våler 12-13/6), England (Lydden 26-27/6), Sweden (Linköping 30/7-1/8) and Finland (20-22/8). The planned race in Croatia (Rijeka 11-12/9) can be canceled due to latest information.

As responsible for Vintage Road Racing in the UEM I am really glad England now will be part of the Cup. We are all looking forward to, and hope for good races at Lydden.

Hampus von Post

HISTORIC RACING

Welcomes members of the UEM for the first round of their Road Race Cup to be held in Great Britain.

As a Section of The Vintage Motor Cycle Club Ltd we are sure that all Sections will welcome UEM members to participate in the various activities which are held several times each year.

For further information please contact Kim Allen

GRID POSITIONS

All riders must note their grid positions. The Wipe Board at the end of the Assembly Area will be marked to show you where your grid position is.

Last year the grid was numbered for Solos, but the grid was unmarked for Sidecars. These grids were marked by small un-numbered blue marks.

We will have checked the grid before racing starts and mark up the board accordingly.

ANY RIDER ON THE WRONG GRID WILL NOT BE MOVED AND WILL BE GIVEN A TIME PENALTY. IT'S UP TO YOU!

VELOCETTE OWNERS CLUB

Once again we make our annual journey to Lydden set in glorious Kent countryside at the invitation of the Vintage Motor Cycle Club Racing Section. In addition to a full programme of racing for solos and three wheelers, we have the BSA/Velo Challenge and the Arthur Lavington Memorial Race. This unique race is for Velocettes only and remembers one of our founding members who sadly lost his life in the IOM racing his KTT. You can see Arthur's 'bike here today ridden by Richard Adams in the open 350 races. Note the Velocette teles and Thruxton front brake - just how Arthur raced it way back in the sixties. Richard will be trying to hold on to the Lavington Trophy for another year but I'm sure there are plenty of other riders eager to relieve him of the chore of polishing it.

The BSA/Velo Challenge means we have to contend with that man Tim Jackson and all those indecently rapid Bantams swarming around like wasps. Finally, don't forget the Dave Allcock Series for Velos which runs within the VMCC championships throughout the season. Last year's Champion Nigel Lines should be here defending on his MAC but there are plenty of riders, notably Dave Burrell, Robert Walker and Ian Cramp keen to increase their own points score.

Jim Plant
Chairman
