BEMSEE OVERALL CHAMPIONSHIP

In order to simplify our Overall Championship we are proposing to make a few changes for the 1995 season, the following is our proposal.

The Championship will be open to all classes including sidecars, the qualification being that it is open only to fully paid up members, those competing as a member of an invited club, or centre will not be eligible to score points.

The races to count will be those on the first third of the entry form, as we have done in the past, the difference being that where a race has more than one class, each class will count separately, as though it were a single class race, points will be on the same scale, with the proviso that if there are less than 5 starters in a class, points scored will be halved, any competitor riding in more than one class will have the best score during any day counted, by using this system it should be fairer to all competitors.

BEMSEE INDIVIDUAL CLASS CHAMPIONSHIPS

This Championship will operate as in the past, with the one alteration being that any competitor not being a full member, i.e. invited club or centre will not be eligible to score points, but will be eligible for awards on the day.

NOVICE CHAMPIONSHIP

This will be open to competitors holding a Novice Licence at the start of the season, if a competitor upgrades during the season he/she is still permitted to take part in Novice Races during that year, with the following conditions; in all Novice Races an Orange Jacket must be worn, and the machine being ridden must be of a class eligible to be ridden by a Novice Licence Holder, for those who have upgraded they will not score points towards a further upgrade from a Novice Race.

LYDDEN SINGLE CIRCUIT CHAMPIONSHIP

This will operate as it has done during 1994, with a single Solo Class, and a single Sidecar Class, with Points and Trophies at each round.

DOUBLE POINTS OPTION

The Double Points Option Card must be returned with your entry form, indicating which day you require Double Points on a 2 Day Meeting, Double Points will be awarded to ALL points scoring Championships on that day ONLY.

In the event of a notified cancellation received 48 hours prior to the meeting where Double Points have been indicated, the competitor will be allowed to re use his or her option, this will not be the case where a rider fails to turn up, or does not start for whatever reason.

AWARDS

The Overall Championship will not receive Trophies on the day, but will score points to count towards the Championship ONLY, There will be a considerable Prize Fund on offer at the end of the season.

The Class Championships will score points at each round together with trophies on the day.

The Lydden Single Circuit Championship will score points at each round with Trophies on the day, and an End of Season Prize Fund

We would welcome your views on the above proposals, and hopefully have Championships which competitors feel are worthy of winning.

Terry Mount.
