Foreword

Welcome to Lydden and today's Race Meeting organised by the South East Motor Sport Enthusiasts Club (SEMSEC).

There will be 10 races for all makes and models of cars from saloons, sports cars, kit cars to single seaters. This event is a round of the various SEMSEC championship and challenge series for 2008.

SEMSEC's philosophy has always been to cater for as many competitors and car types as possible. This philosophy means you will see a very wide variety of cars here today, including everything from old MG's, Minis, Escorts through to the latest Caterham and Radical sports cars and a wide variety of single seaters. Many of these cars will be eligible to enter in at least two of the races and in some cases three.

Before the days racing there is a Sprint run by the Rochester Motor Club. Sprinters compete against the clock, each has a practice and two timed runs. The cars are split into 12 classes depending on type, engine capacity and state of modification and range from standard road cars to single seat racing cars with just about everything in between.

We hope you enjoy today's event and will join us at one of our future meetings.

SEMSEC South East Motor Sport Enthusiasts Club

The Club was formed in 1994 to promote race and rallycross meetings at Lydden Circuit near Canterbury. Formed as a joint venture between the British Automobile Racing Club London & Home Counties Centre, the Tunbridge Wells Motor Club (TWMC) and several prominent local motor sport enthusiasts.

In 1995 the management of the club was taken over by TWMC who took SEMSEC forward with the support of Rochester MC and Borough 19 MC. TWMC and RMC supply many of the officials for SEMSEC events and each club also run sprints that form part of the events. In 1995 the Lydden Marshals Club was also amalgamated with SEMSEC and saw a large increase in support for SEMSEC's meetings which has been building ever since.

SEMSEC is a true Lydden based club with most of its meetings taking place at the circuit. SEMSEC hold club nights at the Phoenix Railway Club, Crabble Road, Dover on the second Tuesday of each month starting at 8pm. New and prospective members are always welcome.

If you would like to join the club to race, marshal, officiate or as a social member, there is an application form at the back of this programme. Racing membership is just £25.00 per annum whilst non-racing membership is £12.50 per annum. As a SEMSEC member you will receive copies of the club's newsletter giving details of forthcoming events and reports on past events.

We hope you enjoy today's meeting and look forward to seeing you again in the future.
