OK so I admit it! I didn't have time to do the blurb so here's one I sent to the papers!!

The motorcycle road race season got off to a flying start at Brands Hatch on 1st March with the first of Bemsee's 22 race days. Despite early morning fog, by the time practice began the sun had burnt through the low cloud and stayed out for the remainder of the day. (sounds all lyrical doesn't it)

The newly laid tarmac was found to be both smooth and surprisingly grippy given that it had had next to no "running in" prior to the event. (it was black and shiny anyway) Nick Chadwick got his season off on the right foot by storming to a win in the opening Superstock 400 race aboard his ageing 350 LC Yamaha. He showed the way home to Mark Jay (Suzuki RGV) and Justyn Gorman (Honda VFR) who must both have been relieved that he was confining himself to the LC races for the rest of the day and they then had to be content with second and third behind Andy Sprake (Kawasaki 400) in the other two Superstock 400 races.

Steve Dyer (Honda) and Andy Woolrich (Honda) started the day as hot favourites for the Superstock 600 races and they duly obliged in the first race. However they had reckoned without a couple of last years hot novices and the second outing was taken by Anthony Sear (Yamaha) in convincing style from Glen Biggs (Honda) who relegated Steve Dyer to third just holding off another of last years novices "Reckless" Rob Elsmere (Yamaha). The third race saw Glen Biggs take his first senior race win from Steve Dyer and the way he sliced through the traffic after a mediocre start makes me think it won't be the last.

That man Nick Chadwick was back in action in the first 350LC / 250TZR races and he was back in front as well. He was followed home by last years 250LC champion Paul Hogan and the first of the TZRs with Ricardo Ballerini aboard. The second race had to be red flagged following an accident involving last years 350LC champion and runner up. Fin Reynolds and Nick Saunders have been used to battling closely together for the past two years and each trusts the other implicitly. On this occasion they were once more tied closely together when Nick crashed entering Surtees, Fin was left with nowhere to go and ran Nick over also crashing heavily. Nick was taken to Queen Marys Hospital at Sidcup where he recieved excellent treatment and was at home again the following Thursday. (see front cover and don't argue with this hard so and so) Fin injured his wrist and was also unable to take part in the rest of the meeting. This incident brought home to me just how safe racing actually is, had this occured on the public highway I don't think it would have had such a rosy ending. The medics as always did an outstanding job and they deserve all our thanks. The re-run of the second race produced the same one, two, three as the first outing. The third saw Peter Branton (aboard Fin's LC) take victory from the hard charging Ricardo Bailerini with Paul Hogan taking third on this occasion.

Next up was the 1300 Open class with a day long battle going on between Alex MacDougall (Yamaha 1040) and Steve Hammond (Yamaha 250). Two more different machines or riding styles you couldn't find if you tried. Alex' 160bhp monster (that's his bike we're talking about) twisting itself into knots exiting corners and on the brakes took the first race by a gnats nagger. Steve then got sweet revenge in races two and three using his very high cornering speed and smooth lines to good effect to hold off Alex. Steve also won the prestigious Hector Dugdale Trophy for setting the fastest lap of the day and will now have his name put on the base alongside Geoff Duke, Mike Hailwood and Barry Sheene amongst others. In this class Laurence Hopper also showed why he is attracting a lot of interest from sponsors by taking a fourth and a fifth place in his first outing aboard his new RS250 Honda.

Paul Hogan was in business again in the 250LC class taking all three race wins from Lee Saunders and Andy Rivett.

The Open singles and 125cc races were all about young Gareth Jones (125 Honda) as he showed his class by taking all three race wins by a good margin. Gareth is campaigning his Gary Lingham supported Honda in the Supercup this year. Such is the class of Jonsey boy that Colin Sanders, who finished second in all three races, could easily have won all three at any other meeting of the year and was himself well clear of the rest of the field.

The first ever outing for Steve Wallington (Honda 600) saw a race win in the novice class!! He was followed home by Pete Jesson (Honda 600) for his best result to date and a delighted Don Hill (Honda 600). The next two outings saw Doug Wright (Honda 600) won first from Darren Fryer (Yamaha 600) and then from Steve again. Third place in these last two races went to Mike "not young anymore" Baxter, we weren't quite sure if 88 was his race number or his age!!

The sidecar classes were dominated by Rob Cameron and Paul Randall aboard their 600 Honda powered outfit. It's a shame they can't afford to race more often but their budget is centered around their annual Isle of Man campaign. Good luck again this year lads.

Tony Smith and Robin Cook cleaned up in the Open class sidecars followed by Chris and Bernie Hampton and Len Boarer with his new passenger Martin Best.

We all know that the granddads parade of Jeff Matthews, Trevor Rudolph and Tony Chillcott are back out today so the "bath chair" race should be one to watch.
