WELCOME BACK TO LYDDEN

We are back here today for the seventh round of our 95 Championships, the points shown elsewhere in this programme are correct up to round five, which was at Croix en Ternois in France, they will obviously be out of date as we were racing at Snetterton on Saturday, and we just can't get the programme printed in a day, even if we tried.

It is nice to see so many competitors taking part in our meetings this year, even more so as some clubs are cancelling meetings or running with very depleted grids which is not good for either club or competitors, and leaves spectators feeling a little cheated, most clubs are on hard times at present, it would be nice to think we have had our share and are now on the up, we would like to thank our competitors for supporting us.

During VE Day weekend we tried something different by going racing in France, although the setting up of the meeting was a lot of hard work the fact that our competitors enjoyed themselves made it all worthwhile, the sun shone all weekend and was matched by the standard of racing, if I say so myself it was one of our most enjoyable meetings ever, and by popular demand will be repeated next year, we might even try another circuit over the water and make more of a holiday, let us know your thoughts and we will see what we can do for you.

Those of you who were here for our Easter meeting will know that Greg Payne took a very heavy tumble at the Elbow, many of you have rung asking how Greg is, well we can tell you that Greg is in Stoke Mandeville Hospital, he has severe spinal injuries but is determined to make a full recovery, the Doctors are very impressed with his determination and are hopeful he will succeed, I am sure you will join me in wishing him well, and if any of you are in the area I am sure Greg would appreciate a chat.

A collection was organised for his family at our French meeting, and our competitors really showed what thoughtful people they are, almost eight hundred pounds being raised, yes **EIGHT HUNDRED**.

Our French meeting had one serious casualty when Nick Bourne arrived at the end of the straight to find he had no brakes, Nick has spinal injuries but thankfully not as serious as Greg, we got Nick ferried home to Maidstone Hospital, where he is currently in John Day Ward and like Greg would probably like to see some familiar racing faces.

Well that's it for now have a good day's sport and stay safe.

Yours in Sport

Terry Mount.
