# Foreword

Welcome to Lydden and today's Race Meeting organised by the South East Motor Sport Enthusiasts Club (SEMSEC).

There will be 12 races for all makes and models of cars from saloons, sports cars, kit cars to single seaters. This event is a round of the various SEMSEC championship and challenge series for 2007 and also includes guest championships from Tiger Racing Cars and the VSR & Super Silhouette Championship.

SEMSEC's philosophy has always been to cater for as many competitors and car types as possible. This philosophy means you will see a very wide variety of cars here today, including everything from old MG's, Minis, Escorts through to the latest Caterham and Radical sports cars and a wide variety of single seaters. Many of these cars will be eligible to enter in at least two of the races and in some cases three.

We hope you enjoy today's event and will join us at one of our future meetings.

**Next Meeting: Saturday 27 October – Sprint and Races**

South East Motor Sport Enthusiasts Club

The Club was formed in 1994 to promote race and rallycross meetings at Lydden Circuit near Canterbury. Formed as a joint venture between the British Automobile Racing Club London & Home Counties Centre, the Tunbridge Wells Motor Club (TWMC) and several prominent local motor sport enthusiasts.

In 1995 the management of the club was taken over by TWMC who invited local clubs to become involved and use the club as a vehicle to run race events and sprint events. TWMC took SEMSEC forward with the support of Rochester MC and Borough 19 MC. TWMC and RMC supply many of the officials for SEMSEC events and each club also run sprints that form part of the events. In 1995 the Lydden Marshals Club was also amalgamated with SEMSEC and saw a large increase in support for SEMSEC's meetings which has been building ever since.

Although managed by TWMC and assisted by Rochester Motor Club, SEMSEC is a true Lydden based club with most of its meetings taking place at the circuit. SEMSEC hold club nights at the Phoenix Railway Club, Crabble Road, Dover on the second Tuesday of each month starting at 8pm. New and prospective members are always welcome.

If you would like to join the club to race, marshal, officiate or as a social member, there is an application form at the back of this programme. Racing membership is just £25.00 per annum whilst non-racing membership is £12.50 per annum. As a SEMSEC member you will receive copies of the club's newsletter giving details of forthcoming events and reports on past events.

The club's programme of events for 2007 includes race meetings at Lydden Circuit and one at Brands Hatch. Most of these events are supported by Sprints.

We hope you enjoy today's meeting and look forward to seeing you again in the future.

## Tunbridge Wells Motor Club [www.twmc.org.uk](http://www.twmc.org.uk)

Tunbridge Wells Motor Club (TWMC) traces its origins back to 1911 when it was formed as a Motor Cycling Club. It later added a motor car section and is today entirely devoted to 4 wheels. The club is in its 94th year this year making it one of the oldest motor clubs in Britain today.

The Club is involved in a wide range of competitive and social motoring activities including Racing, Sprints and Autotests. Members also compete in many other events such as Stage Rallies, Historic & Classic Rallying and Hillclimbs.

TWMC has a busy year in 2007 running Sprints at Brands Hatch, Goodwood and Lydden. There will be a series of evening Autotests held near Edenbridge as well as supporting all SEMSEC events. TWMC also runs its own Sprint championship called the All Circuit Sprint Championship.

Single person club membership costs £15.00 per annum whilst family membership is £17.00. For further information about the club phone the Club Chairman, Norman Redhead on 01323 502335 or visit the club's website.

## Rochester Motor Club [www.rochestermc.co.uk](http://www.rochestermc.co.uk)

Founded in 1912, the club has one of the largest memberships in the South East, with over 300 members. The club is fairly unique in that its activities encompass karting, car and motorcycle events. The ever expanding karting section features four stroke racing with eight classes, from 8 year old upwards. This section operates under its own promotional banner of the Formula 6 Association. Also Rochester Motor Club, as one of the three clubs running the Kent Racing Combine, has long been promoting motorcycle road racing. It is currently promoting a series of six hour endurance races. The car section is proud to promote events at Lydden and participate in the promotion of SEMSEC. The Club has its own Offices at Tiger Month Pub, Davis Estate Chatham on 1st and 3rd Thursday of each month.
