# Welcome to Lydden . . .

On behalf of the Triumph Owners Motor Cycle Club, I take this opportunity of welcoming all motor cycle sport-minded folk to this 1975 Festival of Motor Cycle sport.

This is the day on which the public is invited to our International Lydden Rally. The Rallyists have been arriving since Friday, some from very long distances and some from across the Channel; I sincerely hope that they have enjoyed themselves and will return again next year.

To all competitors here today — I wish you the best of luck, but in the knowledge that you can't all be winners I wish more that you simply enjoy your sport.
