WELCOME!!!

It is a pleasure to welcome you to our third event of 2012 at the fantastic Lydden Hill circuit.

The SEMSEC club is run by enthusiasts for enthusiasts. They are all volunteers so a big thank you to all the officials and marshals here today, without whom this event would not be possible.

Preceding today's racing we have a Sprint organised by the Rochester Motor Club (RMC). Sprinters compete against the clock, each has a practice and two timed runs. The cars are divided into 14 different classes depending on type, engine capacity and state of modification. Cars range from completely standard road cars driven to the event to single seat racing cars.

There will be eight races here today for the various SEMSEC championships and challenge series. These cater for a wide variety of cars from old MGs, Minis, Escorts through to the latest Caterham and Radical sports cars and single seaters.

We hope you enjoy today's racing and hope to see you at one of our future meetings.
