SECURITY

It is a regrettable sign of the times that we have to ask B & D Security of Gloucester to patrol the pit area for us. They are here this weekend helping us all look after our belongings and trying to stop the petty vandalism which mars the 2 day meetings. Please be polite and help them if you can. They are here at our request and you have all contributed to the cost in the entry fee.

They will not be keen to allow entry to this meeting after racing on Saturday evening. If you have to leave the area tell them before you leave and take your B.S.M.A. licence with you and show it to get back in.

THE START GATE AREA

Any rider seen interfering with the start gate mechanism or attempting to cheat the peg system will be withdrawn from that race immediately.

No parents will be allowed in the start gate area.

MARSHALS

There will be one marshal to a point and marshals will change over twice during the day. Please change over at the APPOINTED TIME. If everyone plays the game it will go smoothly. P.A. will inform you and will definitely remind you.

If you have to leave the meeting please inform P.A. and put it in writing.

Marshal points are in the Marquee.

TROPHIES

Challenge Trophies are the property of the Severn Valley Schoolboy Scramble Club and are to be returned one month before next years event or when requested.

Would all parents of Challenge Trophy winners please sign the appropriate form in the Marquee before leaving the venue. Would you also have the winning riders name engraved on the trophy please.
