## AN INTRODUCTION TO OUR SPONSOR - JOHN BRYDON OF MATRIXGRADE

John Brydon and his brother Malcolm established Matrixgrade in 1974 and since then the company has expanded to become the major demolition, excavation and landfill contractor in the East Midlands. Their reputation for quality, safety and contract completion has placed them at the forefront of their industry.

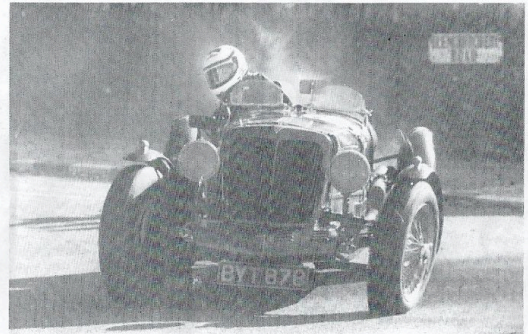

John's own motor sporting activities centre round older vehicles - he regularly races a 1936 4 1/4 litre Alvis - he is currently restoring a 1904 C.G.V. Racing car.

In 1990 John and a small team of friends made headlines by completing the "London to Peking" Motor Challenge in a 1912 Lancia Simplex chain drive car.

Other sporting activities include playing golf, hockey, cricket and water polo.

John is married and has 2 sons, both keen and capable sportsmen.

You can see John in action during the lunch break, competing on his Grand Old Ordinary and touring the circuit in a Morgan.

## The New Imperial Owners Association

We are sponsoring one of today's pre-1934 races in memory of Frank Pearce, one of our club members who was a staunch enthusiast for 'real' racing motorcycles, and a help and inspiration to many a Vintage racer and rebuilders.

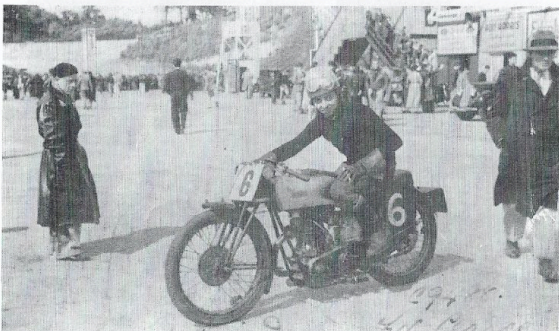

The 1934 250cc racing New Imp. that Frank owned for over 50 years will be here today, and can be seen parading in company with a selection of road and racing models, including we hope, the 1934 500cc V-twin works racer.

New Imperial was one of the marques that did not re-appear after the war, despite a range of innovative road machines featuring such 'post-war' features as unit construction and rear suspension.

They also had a long sporting history, with 6 TT wins and successes in international races, as well as record breaking and endurance events.

The New Imperial Owners Association, now into its 5th year and with over 100 members worldwide is the club for owners and enthusiasts for the marque, if interested contact the secretary:
