## RACING NEWS - RACING NEWS - RACING NEWS

Welcome to Mallory Park for what has already started out to be a busy season. Only a few weeks ago we were here for the pre season Test Day, with riders putting their machines to the test to see if their winter rebuilds had gone according to plan or whether they had more work to do before today, the first race meeting of the 2001 season.

We start off by welcoming a few new Sponsors this season as we said goodbye to a few at the end of last year. Drury Precision Sheet Metal have taken over the 350cc Championship and The Edwards Christiansen Partnership, a legal firm are the new sponsors of the 250cc Championship and sponsor the team of Jim and Mitch Steel. We have a change of sponsors to Event 5 they are now sponsored by Bennett Associates who are not new to the Vintage Club, they have been sponsoring the over 500cc Specials Class for the last few years but fancied a change. This means that Event 7B also has a new title now it is being sponsored by Big Shot Studios and they have changed events so that Janic Antiques from Tamworth can sponsor Event 9B. Confused! So am I and I have to organise them all!

Incidentally Janic Antiques is owned by Outfit team No.95 Nick Saunders and Kay Green who joined us as novices at the start of last season.

Well let's recap on the 2000 Season and how it ended up. We saw some very close racing at Cadwell in September with a few of the championships being down to who crossed the line first. Everyone was on pins as the flag dropped and the riders roared down to the hairpin for the start of the first lap. What a sight! Riders showed the crowd of spectators some excellent racing and manoeuvring as they tried to get the better of their fellow competitors. If you look further through the programme you will see how close the points actually were.

In the final two races of the day we saw in turn the Solo Champion of Champions Race and the Sidecar and Three-Wheeler Champion of Champions Race both take to the Grid. These two championships had ran all season to see who would be the owner of the precious No.1 plate for this season. In the Perlemps Recruitment Partnership Solo Championship we saw reigning No.1 Lee Moore take the chequered flag and keep the No.1 for the second year. But in the Brooks Auctioneer Sidecar and Three-Wheeler championship it was a different story. Although the chequered flag was taken by Roly Mettam in the Mogvin the Championship was won by Greg Bibby and Katie Bain who have taken the title away from Bill and Maggie Tuer who have held the title and plate for the last six or seven years. They will now revert back to their original number of No.34, Maggie was so pleased we had saved their old number for them. Greg and Katie will race for this year displaying that lovely No.1.

WELL DONE TO YOU ALL.

We have an action packed day for you all. Not only have we got all our annual championship races, but we have the Cyclemotors parading their machines during the lunchtime, The BMW Club who are celebrating their 50<sup>th</sup> Anniversary this year and the Derbyshire and Staffordshire Classic Bike Club so there will be a variety of machinery for you to watch.

Feel free to wander round the Paddock and admire some of the finest racing machinery of yesteryear. Who says old motor cycles are slow and boring.

Have an enjoyable day and a safe journey home.
