RACING NEWS - RACING NEWS - RACING NEWS

Happy Easter and welcome to Mallory Park again for the start of what has already started out to be a busy season. Only two weeks ago we were here for the pre season Test Day, with riders putting their machines to the test to see if their winter rebuilds had gone according to plan or whether they had more work to do before today, the first race meeting of the 2002 season.

We start off by welcoming our Sponsors for this season for without them we would not be able to keep the entry fees low for the riders.

Well let's recap on the 2001 Season and how it ended up. We saw some very close racing at Cadwell in September with a few of the championships being down to who crossed the line first. Everyone was on pins as the flag dropped and the riders roared down to the hairpin for the start of the first lap. What a sight! Riders showed the crowd of spectators some excellent racing and manoeuvring as they tried to get the better of their fellow competitors. If you look further through the programme you will see how close the points actually were.

We have a new No. 1 for the Solo Champions of Champions this year. Mike Powell took the championship on his BSA Bantam, but I'm sure that last year's holder Lee Moore will be out there with the others to try and win it back over the seven rounds throughout the season they can gain points at.

Bill and Maggie Tuer regained the No 1. Plate from Greg Bibby and Paula Heaney who were the Sidecar Champion of Champions for the 2001 season.

WELL DONE to all the other Championship winners, runners up and back of the field riders (well someone has to be at the back don't they!).

We have an action packed day for you all. We have got all our normal annual championship races, but sadly, we will not have the Clydemotors parading their machines this year during the lunchtime as advertised.

Feel free to wander round the Paddock and admire some of the finest racing machinery of yesteryear. Who says old motorcycles are slow and boring!

If anyone out there wishes to take part as a Marshal or helper within the Paddock Area, please stop an ORANGE body and ask them to point you in the direction of an official or ask the ladies in the Paddock office and they will direct you to the right person.

We hope that the weather is kind to us, have an enjoyable day and a safe journey home.
