## CONSIDER

### YOUR OWN PRIVATE LAKE

The famous car and motor cycle racing circuit at Mallory Park near Leicester contains a small freshwater lake which is ideal for many forms of water sport enjoyment, including motor boat racing and water-skiing.

With the exception of certain days on which the race track is used for public meetings, the Mallory Park management are now making the lake available for use both by those who have their own boats and skis and those who wish to use craft and equipment recently purchased by the company.

Only the simpler forms of pleasure boating, however, will be open to the general public, while the right to enjoy the more exciting and specialised activities will be reserved for members of the new Watersports Division of the Mallory Park Club—which, incidentally, arranges its own watersports race meetings. The lake, which is set in pleasant undulating parkland with excellent amenities, is 700 yards long, 350 yards wide, and up to 22 feet deep; it features a slipway, three landing stages, and a pretty sunbathing island, incorporating a refreshment chalet and reached by a footbridge. For safety reasons, a 750 c.c. capacity limit will apply to the Mallory Park lake.

### ENJOY RACING

The Mallory Park Club offers unrivalled facilities to the Speed Boat Racing enthusiast, especially to the man with a family runabout. At the watersport meetings you are invited to enter your own boat in specially arranged races for this type of craft. Wives and families are catered for on the island on race days (which is secured on these occasions for the racing pits).

Also in the meeting are races for the Mallory 500, and for the real out and out racing boats.

Water-skiing demonstrations and speed boat rides in the intervals make watersport days a real day out for the family whether you own a boat or not.

### BE A RACE OFFICIAL

Members will have opportunities to act as marshals and assist with a wide variety of supervisory, mechanical and administrative duties at Mallory Park's regular watersports meetings.

### DRIVE A RACING

Mallory Park has its own fleet of brand new 500 c.c. Scott-McCulloch powered single-seat WATERSPORT CLASS racing motor boats, featuring unique stability and safety and specially designed to take fullest advantage of the lake's characteristics. Members of the club will be taught to drive them at the very

### ENJOY A PLEASANT CLUBHOUSE

Members have the full use of a modern-style licenced clubhouse featuring such amenities as bars, sun-lounges, tennis, table tennis, record players, dancing, fruit machines, putting.

### CHEAPER SPECTATING

You will be able to purchase low-cost spectator season badges covering all watersports meetings held at Mallory Park. These will admit your car to any public park and yourself to the new watersports grandstand at Gerard's bend. For a full season's racing 25s. admission value will cost 15s. each for adult males (MAXIMUM OF TWO) and 10s. each for ladies and children (MAXIMUM OF

### COME WATER SKIING

Regular water-skiing periods will be reserved on Mallory Park lake for members who wish to use their own or club skis, and avail themselves of the services of a tow-launch and experienced crew. The charge

# DAILY MAIL RACE OF THE YEAR

"Mike the Bike" Hailwood brings his world-title-winning 500 c.c. MV to the Race of the Year today. This dramatic shot of the champion was taken soon after he crashed in this year's TT. With smashed fairing and damaged machinery he still went on to win.

# 1965

Right : Idol of Mallory Park fans, John Cooper of Derby is always at his very best on his home track. He should be in the prizes today.

Below : The combination of Phil Read and the Yamaha has won the 250 c.c. world title again this year. The Luton rider is, however, likely to wheel out a 500 Norton for today's big race.

Left : Locked in battle during last year's 350 c.c. TT—Mike Duff leads Derek Minter at Quarter Bridge. Canadian Duff earned an enviable reputation for himself even before he joined Yamaha, while Derek Minter is still the leading performer on British short circuits.

Two serious crashes this year have proved a major setback for Jim Redman, captain of the Honda team. But he is still one of the greatest riders in the world and remains first favourite for the undecided world 350 c.c. title, which will be finalised at the Japanese Grand Prix next month.

Right : Victory in the lightweight category of last year's Manx Grand Prix brought Rhodesian Gordon Keith to prominence. Since then under the guidance of Geoff Duke, he has re-established the name of Royal Enfield in racing circles.

Left : Two of the greatest sidecar exponents riding today—Fritz Scheidegger (Switzerland) seen here leading Britain's Chris Vincent. The fact that Scheidegger is this year's world title winner will not deter multiple-Mallory record holder Vincent today. Look out for fireworks from these two.

## *the best things on two wheels*

DUNLOP tyres make the best of both wheels. DUNLOP'S endless research into construction, composition and tread design produces the safest, most comfortable tyres on two wheels, with safer cornering, surer steering, more responsive braking and miles longer wear. That's why they are fitted as standard equipment by the majority of British motor cycle manufacturers. And why you, too, should always ask for Dunlop:

# **DUNLOP**

*... all built with  
Road-Hug  
Rubber for  
TOP SAFETY  
TOP MILEAGE*

The superb all-purpose tyre with road-hug rubber for exceptional wet grip, safe cornering, braking and acceleration.

**DUNLOP K70**

The perfect front-wheel partner for K70, patterned for low rolling resistance and positive steering.

**RIBBED**

Deep cut pattern for grip plus long life. Suitable for all three wheels of combination outfits.

**SIDECAR MAJOR**

Right : A rare shot of Bill Ivy—hoofing it back to the pits after trouble in this year's 250 c.c. TT. The rear view of Bill has been that which most of his opponents have seen this year.

Below : The man who can be relied upon to rise to the big occasion. Pip Harris is now getting more steam than ever out of his BMW outfit. If all goes well he could surprise many today.
