TIME SAVED - MONEY SAVED

Save on costly repair bills – and get your machine back on the road sooner – by fitting a Lucas B90 exchange unit. These are electrical units – magnetos, dynamos, control boxes, distributors, horns, etc. – that have been rebuilt in the

Lucas factory to Lucas high standards. They are subjected to stringent tests and carry a visible seal-external hallmark of internal quality. Every B90 exchange unit is fully covered for twelve months by the famous Lucas guarantee. What's more, they are available off-the-shelf, from all good motorcycle dealers, at fixed and published prices. So save yourself time; fit a Lucas B90 exchange unit – and, in the long run, you'll save money too.

you too can drive on a race track

BY JOINING THE
Brands Hatch Motor Club
Snetterton Motor Racing Club
Mallory Park Motor Club

For 2 or 3 guineas a year you can experience something new in Motor Club enjoyment

CONSIDER THESE BENEFITS

DRIVE ON A RACE TRACK

When you join a circuit car club you will be sent three tickets each entitling you to 20 laps driving your own silenced road car round the Brands Hatch, Snetterton and Mallory Park race tracks. All three circuits are open for this purpose on Tuesday and Thursday evenings each week during the summer, and on certain weekend days throughout the year. Each track is properly supervised and now has permanent catering services. Members are covered automatically by legal liability insurance and low-cost personal accident insurance is available as an optional extra.

ENJOY A CIRCUIT

Close to the paddock at Brands Hatch and Snetterton, and to the hairpin at Mallory Park, members have their own modern-style motoring pubs and clubhouse. They are open every Tuesday and Thursday evenings, at weekends, and on all practice and race days. Apart

CLUBHOUSE

from their attractive bars, set against a background of motor badges and paintings, the clubhouses are also equipped with music and amusements. The clubhouses are also the scene of members' film shows, dances and cocktail parties in honour of racing drivers and other motoring personalities.

JOIN TODAY

Display a proud emblem

Each circuit car club has its own distinctive emblem which is reproduced on transfers, car and lapel badges, and on club ties.

In your own car you can spin safely on the special mastic surface through 360 degrees from only 20 m.p.h.

MEMBER OF ONE-MEMBER OF THREE

Membership of any one circuit car club allows you and up to two guests to use the clubhouses at Mallory Park, Snetterton and Brands Hatch. Similarly, members of any one circuit car club are also

automatically members of the other two, and are entitled to exchange skid-road and race-track tickets (when applicable), to use the other facilities at concession rates, and to enjoy full clubhouse privileges.

DRIVE IN A SPRINT

The B.R.S.C.C. now organises exclusively for members of circuit car clubs, sprint meetings at Brands Hatch, Mallory and Snetterton. Race meet-

DAILY MAIL 'SIDECAR RACE OF THE YEAR 1965'

First Prize £500,
and Daily Mail
Silver Trophy.

MAX DEUBEL

Four times sidecar champion of the world. He will again be aboard his famous BMW outfit—with the sidecar left-hand-mounted. Last year the tricky Mallory circuit gave Deubel trouble. Will he master it today?

A happy moment at last year's Daily Mail event. Winner Pip Harris and his passenger Ray Campbell start their lap of honour with an extra passenger—beauty Queen Louise Holden who presented the prizes.

Below :— “Pip” less his armour!

British champion and lap record holder at Mallory Park—Chris Vincent of, Birmingham. Trouble baulked him last year—he looks for better luck today.

A 25-minute film of today's big race will be made by the Castrol film unit.

The controversial “mini-racer” with builder—Leicester's Owen Greenwood—at the wheel. Raced at Mallory, Brands Hatch and Snetterton already—the full potential of the “Mini-Cooper” engined machine may be revealed today.

Daredevil Swiss Florian Camathias is bound to set off the fireworks. Let's hope the machinery matches his forceful driving today.

A 25-minute film of today's big race will be made by the Castrol film unit.

Kent's threewheeler ace, Colin Seeley, brings a 492 c.c. BMW and a 750 c.c. Norton to Mallory today to tilt for the £500. Below:— Another welcome visitor—and with a good chance—is Switzerland's Fritz Scheidegger.

Above: Norman Hanks—son of a long-service sidecar ace—seen with passenger H. Seeney at Brands Hatch last year.

Left: South Londoner, Norman Huntingford, will be out on a 499 c.c. Matchless today. This picture was taken at the start of last year's T.T. in which he crashed.

Old hand Bill Boddice and son Michael are among the competitors today.

Right: A homely pad-dock scene—Otto Kolle (left) and passenger, Heinz Marquardth “brew-up” before getting down to business. Kolle brings his BMW into action today.

Below: In a swirl of spray —Peter Russell hurls his Vincent through bad weather at Castle Combe. He is Vincent-mounted today.

For only 3 guineas a year you can experience

CONSIDER

YOUR OWN PRIVATE LAKE

The famous car and motor cycle racing circuit at Mallory Park near Leicester contains a small freshwater lake which is ideal for many forms of water sport enjoyment, including motor boat racing and water-skiing.

With the exception of certain days on which the race track is used for public meetings, the Mallory Park management are now making the lake available for use both by those who have their own boats and skis and those who wish to use craft and equipment recently purchased by the company.

Only the simpler forms of pleasure boating, however, will be open to the general public, while the right to enjoy the more exciting and specialised activities will be reserved for members of the new Watersports Division of the Mallory Park Club—which, incidentally, arranges its own watersports race meetings. The lake, which is set in pleasant undulating parkland with excellent amenities, is 700 yards long, 350 yards wide, and up to 22 feet deep; it features a slipway, three landing stages, and a pretty sunbathing island, incorporating a refreshment chalet and reached by a footbridge. For safety reasons, a 750 c.c. capacity limit will apply to the Mallory Park lake.

ENJOY RACING

The Mallory Park Club offers unrivalled facilities to the Speed Boat Racing enthusiast, especially to the man with a family runabout. At the watersport meetings you are invited to enter your own boat in specially arranged races for this type of craft. Wives and families are catered for on the island on race days (which is secured on these occasions for the racing pits).

Also in the meeting are races for the Mallory 500, and for the real out and out racing boats.

Water-skiing demonstrations and speed boat rides in the intervals make watersport days a real day out for the family whether you own a boat or not.

BE A RACE OFFICIAL

Members will have opportunities to act as marshals and assist with a wide variety of supervisory, mechanical and administrative duties at Mallory Park's regular watersports meetings.

DRIVE A RACING

Mallory Park has its own fleet of brand new 500 c.c. Scott-McCulloch powered single-seat WATERSPORT CLASS racing motor boats, featuring unique stability and safety and specially designed to take fullest advantage of the lake's characteristics. Members of the club will be taught to drive them at the very

ENJOY A PLEASANT

Members have the full use of a modern-style licenced clubhouse featuring such amenities as bars, sun-lounges, tennis, table tennis, record players, dancing, fruit machines, putting.

CHEAPER SPECTATING

These will admit your car to any public park and yourself to the new watersports grandstand at Gerard's bend. For a full season's racing 25s. admission value will cost 15s. each for adult males (MAXIMUM OF TWO) and 10s. each for ladies and children (MAXIMUM OF

COME WATER SKIING
