STARTING. Massed pushed starts from dead engine (no kick starts allowed). In case of a driver suffering from a disability, one pusher may be employed starting from the rear of the grid, three seconds after the first fall of the flag. Competitors will be lined up in 3 or 4 rows or as many as may be necessary. Positions in heats will be by ballot before leaving the paddock. Positions on the grid in Finals will be determined by heat times with the fastest men on the front row. No unauthorised assistance may be given to a driver at the Start or during the race.

FINISHING. A race will be deemed finished two minutes after the first man has crossed the finishing line. No fresh laps may be started after the winner has crossed the finishing line.

Campion & Sons, Ltd. for the provision of the break-down recovery vehicles, also to the St. John Ambulance Brigade for their services, E.M.C.
