## IMPORTANT NOTICE TO ALL SPECTATORS

**MOTOR CYCLE RACING IS POTENTIALLY DANGEROUS AND YOU ARE PRESENT IN THE VICINITY OF THE COURSE ENTIRELY AT YOUR OWN RISK.**

Moreover the normal laws of trespass shall apply.

Spectators must realise these races are run on a closed public road and that whilst every endeavour is made by the Organisers to prevent accidents, these can happen.

Accidents can, however, happen anywhere and THE TOPS OF WALLS, BANKS AND HEDGES ARE PLACES OF RELATIVELY GREATER DANGER.

You are reminded that with the exception of certain crossing points between races, under the direction of Police Constables all parts are closed and it is an OFFENCE IN LAW to be on them.

No responsibility for personal injury to persons or damage to property can be accepted by any person connected with the conduct, promotion or management of the meeting, including drivers.

Finally, obey the instructions of the Police Constables and Marshals at all times. Their concern is your safety.

Whilst the land adjoining the circuit is private and therefore under the jurisdiction of the landowner, certain areas where accidents are most likely are designated prohibited areas and this is done FOR YOUR SAFETY.

Remember if an accident happens near you all the foregoing still holds true. The Police and Officials are experienced in emergencies and your presence in an area of danger, however well meant, could turn a minor accident into something far worse.

## IMPORTANT NOTICE TO ALL SPECTATORS

**MOTOR CYCLE RACING IS POTENTIALLY DANGEROUS AND YOU ARE PRESENT IN THE VICINITY OF THE COURSE ENTIRELY AT YOUR OWN RISK.**

Spectators must realise these races are run on a closed public road and that whilst every endeavour is made by the Organisers to prevent accidents, these can happen.

No responsibility for personal injury to persons or damage to property can be accepted by any person connected with the conduct, promotion or management of the meeting, including drivers.

Whilst the land adjoining the circuit is private and therefore under the jurisdiction of the landowner, certain areas where accidents are most likely are designated prohibited areas and this is done FOR

YOUR SAFETY. Moreover the normal laws of trespass shall apply.

Accidents can, however, happen anywhere and THE TOPS OF WALLS, BANKS AND HEDGES ARE PLACES OF RELATIVELY GREATER DANGER.

You are reminded that with the exception of certain crossing points between races, under the direction of Police Constables all parts are closed and it is an OFFENCE IN LAW to be on them.

Remember if an accident happens near you all the foregoing still holds true. The Police and Officials are experienced in emergencies and your presence in an area of danger, however well meant, could turn a minor accident into something far worse.

# Bushy's

## ALE of MAN

After the hurly-burly of the TT the Manx Grand Prix offers something a little different. The racing is no less exciting, but with a slightly smaller crowd, the opportunities to sample what the island has to offer at a less hectic pace arise.

What could be better than enjoying Bushy's real ale, small-batch brewed by real beer lovers? No additives, no 'kill the flavour' chilling. Just pure and natural.

Brewed for Flavour - Not Fizz.
