## Welcome to the 2019 races at Canada Heights

Welcome to Canada Heights for the start of the 2019 season, today's meeting looks like it will be quieter than normal with only 2 Allcomers groups and the Vets/Fun/Enduro's. Lots of work has gone into the venue over the winter by the work parties and the club is indebted to these unsung hero's.

No major track changes this year, just tweaking here and there on the revised layout that proved popular last year.

At the time of writing certain parts of the track did not dry well from the winter and have been omitted from the circuit, we would advise a track walk to familiarize with this temporary layout. The 2019 season will be busy and the entries for the first SEMX meeting on April 14th is already open, don't miss out as its open to all ACU licence holders.

Don't forget after the meeting riders and spectators can reflect on times, positions and overall positions using the MyLaps website or the new MYLAPS Speedhive app on your iPhone or Android device.

Our thanks as always to Edna of the St Johns medics and her dedicated crew, Marshals, and all the volunteers who make these race days possible.

A familiar face at our meetings, Glen Castle one of the scrutineering team amongst other jobs is very poorly at the moment I'm sure everyone attending today will join me in wishing Glen a speedy recovery and looking forward to seeing him back here at the Heights.

**On a sour note: Motocross is blighted at the moment by low life who travel to meetings countrywide with one thing in mind to steal bikes, generators and anything they can get away with, despite our CCTV footage being shown to Police we are pretty much on our own, lock everything and watch out for your neighbour's belongings as well as your own.**

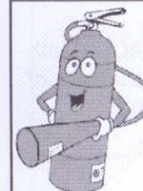

Finally please take all your rubbish back to the bins or home with you as whatever litter is left has to be picked up by a volunteer who would much rather go home early after a good days Motocross racing.

Thanks for racing with Sidcup MCC and we hope you have a safe and enjoyable day at Canada Heights and we hope to see you again soon.

*The Sidcup MCC Committee.*

### NEW ACU RULE FOR YOUR PROTECTION

There is a new ACU rule introduced for Motocross events. It is now compulsory that riders/passengers wear as a minimum, back and chest protectors incorporated within the suit or worn separately. It is also advised that all competitors should wear a body belt/kidney protector. Checks will be made at technical control and the holding area at the start.

### Don't Forget!

**Every rider is required to have a 2kg dry powder fire extinguisher. These should be presented at the time of Technical Inspection**

**Timed Qualification** Part of each Allcomer group's Practice session will be timed to decide the qualifiers for Groups A and B. The fastest 50% from Q1 and Q2 will form the A Group. The next 50% will form the B Group.

### Unauthorised Riding

The riding of machines of any sort in the paddock and areas surrounding the circuit is totally forbidden. Because the event is on private property it does not place it outside the Road Traffic Act in terms of insurance. It cannot be stressed too strongly, that liability for a substantial claim could rest with the owners of the vehicle and the driver (or parents in the case of a minor) in the event of an accident.

### Course Length 1.8 Km

### Points System

The following scoring system will be used for all races today. 25: 22: 20: 18: 16: 15: 14: 13: 12: 11: 10: 9: 8: 7: 6: 5: 4: 3: 2: 1.

## FLAG SIGNALS

Red	Danger all riders to stop
Black with riders number	That rider to stop immediately
Yellow (static)	Danger take care, drive slowly
Yellow (waved)	Great danger, prepare to stop, no overtaking
Blue (waved)	Warning, you are about to be lapped
Green	Course Clear
Yellow with diagonal black cross	Last Lap
Chequered	Finish
