ANNOUNCEMENTS

It would be appreciated if all those attending today's Meeting would kindly read the following announcements, which are of direct interest and concern to them.

WARNING - MOTOR SPORT IS DANGEROUS AND PERSONS ATTENDING THE MEETING DO SO ENTIRELY AT THEIR OWN RISK. "It is a condition of admission that all persons having any connection with the promotion and/or organisation and/or conduct of the meeting, including the owners of the land and the drivers of the vehicles, are absolved from all liability arising out of accidents howsoever caused resulting in damage and/or personal injury to spectators or ticket holders"

POLICE NOTICE Owing to the increasing number of thefts and from motor vehicles at meetings similar to that which you are now attending, the Police strongly advise you to lock your car, or immobilise your motor cycle, and to remove all articles of value. If your vehicle is stolen you may be reimbursed for its loss, but you will get no compensation for the months of inconvenience suffered whilst awaiting the results of your claim. If you have left your vehicle insecure, spare a few minutes to immobilise it. It could save you hours in the weeks to come.

DOGS Under no circumstances are dogs allowed within the precincts of the Course. This ruling will be strictly enforced.

CROSSING THE COURSE Under no circumstances should you cross the Course whilst racing is in progress. At such points where it is permissible to cross the Course, a marshal will indicate when it is safe to do so.

STARTING A clutch start in conjunction with a mechanical starting gate will be employed in all races.

FLAG SIGNALS

Chequered Flag - Finish

Black Flag with number displayed - Driver riding machine bearing that number to stop

Red Flag - Danger. All machines stop

Yellow Flag - Caution

Green Flag - Course Clear

NOTICE TO RIDERS Your attention is drawn to the serious consequences which could arise following an accident caused by unauthorised riding in the paddock. Liability for any claim could rest with the owner of the machine being used (or the parents in the case of a 'Minor').

NOTICE TO THE PUBLIC

The Event is being held on private property and you are strictly forbidden to cause damage in any way. Spectators are forbidden on the Course or in the Competitors' Paddock or to proceed beyond the spectator area, until the specified time. Persons ignoring the Course Marshals do so at their own risk. The Promoters do not accept responsibility for any accident arising therefrom.

PLEASE USE LITTER BINS PROVIDED All vehicles parked at owners risk.

Copyright

All literary matters in the official programme including the list of competitors and their racing numbers is copyright and any person making illegal use thereof will be prosecuted. It is also a condition of admission to any event held under an ACU Permit that no part of the meeting can be filmed or video recorded and/or video transmitted in any way without the written consent of the promoters/organisers and/or the ACU except for the sole purpose of private enjoyment.
