Welcome to Canada heights for the first meeting of the 2016 season.

The new anti-clockwise track proved to be a great success last season so the winter work parties concentrated on tweaking the layout and making good the fencing and public areas for a better race day experience generally. Local Honda main dealer Eastwood Racing has kindly boosted the prize purse to £1000 for not only this event but the remaining Sidcup SEMX centre Championship events and Sidcup would like to take this opportunity of thanking The Eastwood family.

This meeting boasts full South East Centre Timing team support, practice will be timed to establish the groups in the all-comers races. Then after the meeting you can reflect on your times, positions and overall positions using the MyLaps website or the new MYLAPS Speedhive app on your iPhone or Android device.

Sidcup MCC are running a group at this meeting for Veterans who are 35 years or older but don't assume this will be a slow race once the adrenalin kicks in this group gets as exciting as the A group.

Our thanks as always to Edna of the St Johns medics and her dedicated crew, Marshals, and all the volunteers who make these race days possible.

On a sour note we keep getting visited by undesirables, please please lock up your bike and genny if left unattended.

Finally please take all your rubbish back to the bins or home with you as whatever litter is left has to be picked up by a volunteer who would much rather go home early after a good days Motocross racing.

Thanks for racing with Sidcup MCC and we hope you have a safe and enjoyable day at Canada Heights.

Thanks for supporting Sidcup MCC.

John Powell (Entry Secretary of Meeting).

This competition is held under the National Sporting Code of the A.C.U., standing Moto Cross Regulations of the S.E. Centre together with any approved Supplementary Regulations.

Competitors are reminded to be conscious of security with regard to all of their equipment and machines at all times. Do not leave vehicles unattended whilst at this venue.

APPRECIATION

The grateful thanks of the club go to the St John Ambulance Northfleet Division, Kent County Council Constabulary, to members and friends who have acted as Marshals and Officials, also to the Riders who have made this meeting possible.

Permit No. ACU 47314

ADDITIONAL NOTICES

Motorcycle Sport can be dangerous and children should be supervised by a responsible adult at all times.

The Organisers, the A.C.U. and the Landowners, do not hold themselves responsible for loss or damage howsoever caused to vehicles or goods left in the Car Parks.

Spectators who bring dogs should keep them on a lead at all times, wandering animals can be dangerous. Suitable land for events is in short supply. The Club reminds all spectators and competitors to have consideration for the local population by driving carefully and quietly in the narrow roads leading to the course. Please do not leave paper or litter behind, it all has to be cleared up by tired voluntary helpers after the meeting.

Crossing the Course

Under no circumstances should spectators cross the course whilst racing is in progress. At such points where it is permissible to cross the course, a marshal will indicate when it is safe to do so.

Abandonment or Cancellation

The organisers reserve the right, subject to the approval of the Stewards of the Meeting, to cancel, postpone or abandon the competition if circumstances should arise which, in their opinion, render such action necessary.

Public Address:

dpasound www.dpasound.com

Caterer:

Wynnings & Weaver

Caravan Toilets

Please do not empty your chemical toilet in those used by the general public during the meeting.

Exhaust Sound Level

The Clerk of the Course may exclude any machine which exceeds the maximum permitted sound level, or which in his opinion is deemed to be excessively noisy. Sound checks will be conducted by an official throughout the meeting.

Unauthorised Riding

The riding of machines of any sort in the paddock and areas surrounding the circuit is totally forbidden. Because the event is on private property it does not place it outside the Road Traffic Act in terms of insurance. It cannot be stressed too strongly, that liability for a substantial claim could rest with the owners of the vehicle and the driver (or parents in the case of a minor) in the event of an accident.

Course Length 1.8 Km

WARNING

MOTOR SPORT CAN BE DANGEROUS

Despite the organisers taking all reasonable precautions, unavoidable accidents can happen. Please comply with all instructions of marshals and notices and remain in permitted areas only.

THEY ARE CONCERNED WITH YOUR SAFETY
