MYLAPS
SPORTS TIMING

Races

Experts & Juniors (Allcomers)

Vets+35 = 15mins +1 lap

Welcome for the start of the 2018 season, very late this year due to some very inclement weather that made track preparation impossible.

Luckily the weather did turn and I think you will all agree it was a brilliant Maxxis three weeks ago, further work on the venue has been carried out we hope you have a safe and enjoyable day.

Today we will be running Experts and Juniors to form 3 Allcomer groups to be determined by transponder timing, look out for the timed training board after a couple of laps into your practice,

The Vets+35 group remains popular and we can boast another full line up, look out for some old names who are still quick and a current top 10 road racer at British Championship level.

This year the ACU have implemented the wearing of body armour (front and back) our scrutineer's will be checking randomly on the line and you will be pulled if you have not complied.

Don't forget after the meeting riders and spectators can reflect on times, positions and overall positions using the MyLaps website or the new MYLAPS Speedhive app on your iPhone or Android device.

On a sour note:

Motocross is blighted at the moment by low life who travel to meetings countrywide with one thing in mind to steal bikes, generators and anything they can get away with, despite our CCTV footage being shown to Police we are pretty much on our own, lock everything and watch out for your neighbours belongings as well as your own.

Special thanks to Eastwood Wiseco Honda racing who for the third year running have boosted the prize money to £1000.00 per SEMX meeting.

Our thanks as always to Edna of the St Johns medics and her dedicated crew, Marshals, and all the volunteers who make these race days possible.

Finally please take all your rubbish back to the bins or home with you as whatever litter is left has to be picked up by a volunteer who would much rather go home early after a good days Motocross racing.

Thanks for racing with Sidcup MCC and we hope you have a safe and enjoyable day at Canada Heights.

The Sidcup MCC Committee.

ALL RIDERS PLEASE NOTE

Technical Inspection will close at 8.45.

Please make sure you have complied with all requirements further checks will be made as you enter the holding area at the start line.

Timed Qualification

Part of each Allcomer group's Practice session will be timed to decide the qualifiers for Groups A, B and C.

The fastest 33% from Q1, Q2 and Q3 will form the A Group. The next 33% will form the B Group. The remainder will form the C Group.

Unauthorised Riding

The riding of machines of any sort in the paddock and areas surrounding the circuit is totally forbidden. Because the event is on private property it does not place it outside the Road Traffic Act in terms of insurance. It cannot be stressed too strongly, that liability for a substantial claim could rest with the owners of the vehicle and the driver (or parents in the case of a minor) in the event of an accident.

Course Length 1.8 Km

Points System

The following scoring system will be used for all races today. 25: 22: 20: 18: 16: 15: 14: 13: 12: 11: 10: 9: 8: 7: 6: 5: 4: 3: 2: 1.

FLAG SIGNALS

Red	Danger all riders to stop
Black with riders number	That rider to stop immediately
Yellow (static)	Danger take care, drive slowly
Yellow (waved)	Great danger, prepare to stop, no overtaking
Blue (waved)	Warning, you are about to be lapped
Green	Course Clear
Yellow with diagonal black cross	Last Lap
Chequered	Finish
