

MID WILTS SMC

HE WHO DARES - WINS

WESTERN CHALLENGE
SHIELD 2000

CLERK OF THE COURSE

WARNING this article may offend some readers.

The job that no body wants to do, but without him/her no racing would take place.

So why then do spectators, parents and riders insist on:
 going on to the track when they have not signed on
 crossing over roped areas just to be a few inches closer to the track to shout
 encouragement to their rider
 removing sprocket guards after scrutineering
 riding their bikes in the pit area
 insisting they know best
 hurling verbal abuse when things don't go their way
 threatening violence when the verbal abuse has no effect !!!!!!!!!!!!!

Are you one of the above?

The clerk of the course is a volunteer. They have attended and passed the BSMA course. They are **accountable** to the BSMA for the safe conduct of both riders and spectators during the meeting. They would much prefer to watch their rider race than face the abuse from the minority who, in the end spoil the day for the majority.

The aim of Schoolboy Motocross is for boys and girls to have a **FUN** day racing in a competitive and safe environment. They should not have to witness their parents arguing amongst themselves.

If you are one of the above!

Are you prepared to set out a track, position the marshalls, keep people off the track, stop the riding of bikes in the pit area, be responsible for the safety of others, fit all the racing in etc. etc. If you are, why not get qualified and let other people judge your ability. Otherwise shut up and co-operate.

WARNING The Mid-Wilts Committee will no longer tolerate people who choose to ignore the BSMA rules or abuse the Committee members. They will be asked to leave the meeting.

For the majority of people who abide by the rules we thank you for your co-operation and support.
