No: 0022

Cancelled Moto Cross Events

With the hot weather making riding conditions extremely difficult, many clubs are now faced with being prevented from watering their tracks and for this coming weekend, 9 moto cross events are already cancelled. Most of the events that hope to run will be unable to accept riders from other groups as they will add to the problems of dust etc.

For the time being riders will not be offered alternative events.

Events off this weekend include : Sunday - Leigh, Rob Riding, Midland Social, Raglan and Purbeck : Monday - Midland Social, Raglan, South West Devon and Christchurch, plus the classic scramble at Clows Top to be organised by the Black Country Club.

4 Stroke Round Doubtful

The Nottingham club, who are due to host the 4 strokes on September 3rd, say unless they have rain it will be off.

AMCA 125 Team In Belgium

Anthony Kahl has had to withdraw from the European Championships rounds in September due to work commitments and Paul Willis from the Eastbourne club will replace him for the Belgian round on September 3rd. For the Danish and German rounds later in the month, Paul Cumber will ride along with James Cumber, Darren Lindop and Ray Syson. Willis will be on standby for these two events.

Qualifiers

No rounds have been announced for the area 125, 250 and 500cc qualifying rounds due to be held before the end of the season. A decision to postpone them to early next year will be taken if they are not under way by September 17th. Some groups have been unable to complete the group qualifiers, which determine which riders go through to the areas.

Points Scoring System for Today's Meeting

The first rider in each race gains 15 points, second 12 points, third 10 points, fourth 8 points, fifth 6 points, sixth 5 points, seventh 4 points, eighth 3 points, ninth 2 points and tenth 1 point.

The winning rider in each class is the rider with the highest number of points. All races shown in the programme will count. Any additional races not shown in the programme will not count towards overall positions. Any ties will be settled by the results of the last race in each class.

Trials Fixtures - Midlands

The Modern Trials clubs in the Midlands have announced some of their Winter fixtures and these commence on September 10th with the Moseley clubs Annual Welshpool Trial, which has an open trial as well as a closed circuit event and is open to the Midlands Centre of the ACU as it counts towards the Group series. Classic riders are invited and entry forms are available from the AMCA Office.

NOTE - No entries on the day will be allowed.

Congratulations to York

The 4 stroke round staged by the York club was successful and the signposting of the event and venue came in for several favourable comments. Mick White and his men did a great job with so few members and great to see among the many 4 stroke riders, Martyn Hemsall, who was in attendance spectating and looks though he is recovering from his injuries.

Twinshocks

The Severn Eagles MCC are running their event on October 1st at Burton near Chippenham and Chipping Sodbury, Wiltshire. The club are prepared to include Twinshock races at this event providing there is enough support.

Would Twinshock riders please indicate their interest by ringing Rex Hudd on 01454 884280

We are pleased to announce that Jim Gavaghans girlfriend Tanya Ryder has made a remarkable recovery from her serious accident, thanks to the after care of Rowans.
