CHAIRMAN'S LETTER.

Dear Members,

As I did not stand for re election as Chairman I felt I would like to use the medium of the magazine to thank the other members of the 1976 committee, and all member who have supported me throughout the 1976 season, and who by their efforts have enabled the MSSC to progress to a sound and respected club in the Schoolboy Scrambling world.

However I would remind you all, that the club is still relatively young and is therefore only as good as its membership. Since it is the members who elect the committee to organise and run the club for the safety and well being of the majority of all the members, the committee must have the support.

I am sure that a few members do not realise the discussions and deliberations that take place in committee during the week before being implemented either as a procedure or rule, and inevitably its a question " that you can please some of the people some of the time, but you cannot please all the people all the time", so be tolerant and support the 1977 committee.

I would like to thank all the members, who, together with committee members assisted on Saturday afternoons throughout the season in preparing the tracks.

To all the members who have contributed to the " fixture and fittings of the club, one of the most important I hear from the ladies, being the loo, many thanks.

To all those who broke the rules, ie dropped litter, rode through tapes and posts rode above walking pace other than on the track etc. How about some New Years Resolutions for 1977.

Finally on behalf of Pat, Michael, Carol and myself a Happy Christmas, and a Prosperous New Year, Good Scrambling for 1977

Tony Warner ( Chairman )

RE ? TYRED

My wellies have been thrown in the garage for the last time, all the wet weather gear hung up, mud muck and cow d-g scraped of the patio, its going to be hard lying in bed on a Sunday morning but I think I will manage.

Happy memories of times past John, Keith in the old canal up to their \*\*!"\* in mud, others swimming in the river after and during the scramble.

On reflection it as been a very enjoyable four years and it is true you only get out what you are prepared to put in, so being an active committee member or a club member prepared to devote some spare time to assist the club in the future, is a very rewarding experience.

I do not think Schoolboy Scrambling has got rid of us, something gets in the blood, so we will probably see everyone during the next season,  
Wishing everyone the best of luck for the future.

Wilf

P. R. O.

On behalf of the committee and members I would like to take this opportunity of thanking our Chairman Mr T Warner, Vice Chairman Mr W Fletcher ( little & large) for all the past services they have given to the club.

First Mr Warner Chairman, it must be remembered that club Chairman is only part of the work that he as done for the club, his task as Clerk of the Course is a very responsible job, he is responsible for the safety of the course, and that all committee and club members run the schoolboy scrambles efficient and successfully with safety top of the list, Sometimes he as the distasteful job of enforcing the club rules to the Boys and Parents which I feel he as done in a very fair and gentlemans way.

Sorry to have to see you go Tony ( Hope you will stay as our Club President)

Mr W Fletcher as been with the club since it was formed, and as devoted many hours of his spare time to the running of the club, not forgetting the use of is van. We also have to thank Mr Fletcher for all the work he as done in the back ground (ie) Final Results, keeping up the charts for the Championship Points, Plus Aranging all the Trophies through the season, which is one task he as agreed to still do for the club.

Sorry you have Re- Tyred Wilf.

Mr T Warner, Mr W Fletcher Thankyou,  
From all the club members.

We recieved entries from three or four clubs around the area for this meeting, and we had to close entries early in the week. However we still were caught out by members not booking in as stated in the club rules, it was fortunate that the course was at foxham and was a good wide course.

Visttors were not eligible for Trophies, Plus some club members were not eligible because they had not rode in the requisite number of championship races before the Trophy meeting.
