Dartmouth Classic Scramble club

# Welcome

Lets see how this goes.....

We would like to thank the South West Motocross Club for maintaining the track and allowing us the use of it for this meeting. Lots of time and effort has gone into this to make it all happen on the day for everyone.

This is the first time we are at this venue!! It is a bit of a trial run if all goes well we may look at using it next year. This has been a motocross track for many years and should provide some great racing.

We have been joined at this meeting today by the pre 83 125cc championship and the under40/over 40 Evo Pre 89 Championships

Have a Great day!
