## British Bike Bonanza 2013

During the Fifties and Sixties the Cotswold Scramble was regularly held on a course across the valley from where we are today, with such well known riders competing as John Avery, John Draper, Jeff Smith and Gordon Jackson but to name a few. Today the spirit of the truly classic scramble still remains as strong as ever with the British Bike Bonanza.

Started in 1982 the Bonanza course was, and still is based on the original Cotswold scramble course and it has grown in strength from a small entry, one day event to the weekend event of today with up to 400 competitors competing in two trials, and an action packed scramble. The entries increase each year, testimony to the fact that there is young blood keen on keeping the classic scene alive fifty years on.

We thank all of you for attending and appreciate your continuing support. In return we aim to provide a superb weekend of good sport and entertainment for all ages.

This year we are celebrating our 32nd British Bike Bonanza .
