British Bike Bonanza 2012

During the Fifties and Sixties the Cotswold Scramble was regularly held on a course across the valley from where we are today, with such well known riders competing as John Avery, John Draper, Jeff Smith and Gordon Jackson but to name a few. Today the spirit of the truly classic scramble still remains as strong as ever with the British Bike Bonanza.

Started in 1982 the Bonanza course was, and still is based on the original Cotswold scramble course and it has grown in strength from a small entry, one day event to the weekend event of today with up to 400 competitors competing in two trials, and an action packed scramble. The entries increase each year, testimony to the fact that there is young blood keen on keeping the classic scene alive fifty years on.

We thank all of you for attending and appreciate your continuing support. In return we aim to provide a superb weekend of good sport and entertainment for all ages.

This year we are celebrating our 31st British Bike Bonanza .

WESTERN CLASSIC MCC
The British Bike Bonanza 2012
30th June and 1st July.

“The Old British Singles Thumper Race”

On the 1st July 2012 the British Bike Bonanza will hose a race class for Pre Unit 4 stroke British Singles 350cc- Unlimited. The aim is an attempt to encourage back the classic scene some of those nostalgically significant British pre-unit single thumpers.

This class is scheduled to provide a class that is historically representative of scrambling in the Fifties and early Sixties, and an opportunity for anyone with a pre-unit single thumper to bring it out of hiding and show it off and provide a visual and auditory treat for the spectators.

This is a race class mini-series in which trophies will be presented for 1st, 2nd, & 3rd positions

2nd September 2012 The Hanbury Scramble will run a round.
