WELCOME to the COTSWOLD NATIONAL promoted by the STROUD VALLEY MOTOR CLUB.

The COTSWOLD is one of the oldest Nationals in the Moto-Cross calendar. The first meeting was held in 1926, and has run annually — apart from war, petrol shortage, a foot & mouth outbreak — ever since.

Things have changed greatly during these years. The machinery is now dominated by the Japanese which is very colourful. Also the clothes the riders now wear are a long cry from the black leather MX Jeans and Army battledress worn just a few years ago by many of the riders.

This year we are lucky enough to have 17 of the top 35 British Graded riders with many local lads to give you a splendid days entertainment.

We all hope you have an enjoyable day with us.
