## GENERAL INFORMATION

The Committee of the Stroud Valley Motor Club wish to record their sincere thanks and appreciation to Mr. and Mrs. Heaven and Mrs. and Mr. Wooldridge for their kind permission to run the Scramble on their land and for all their valuable help in the arrangements. Without their willing and sporting co-operation it would be impossible to stage the event and we can never sufficiently express our gratitude.

We feel sure that you will show your appreciation by using the Official entrances and exits only, by showing care and consideration not to cause any damage to walls, hedges, crops and mowing grass and by refraining from leaving any litter on the property.

THANK YOU

# TYRES THAT

# ARE BUILT

# ON

# SUCCESS!

Dunlop make the *winning* motor cycle tyres. Tyres with tremendous grip and safety that carry the riders to victory in trials, scrambles, Moto Cross and road racing Grand Prix events throughout the world.

From these are bred the most successful range of tyres for everyday riding. One example is the DUNLOP GOLD SEAL K70. With its fantastic Dunlop road-hug rubber and safety tread the K70 will give you the same phenomenal road-holding, the safer steering, cornering, acceleration and braking that the champions get on the racing circuits.

If you prefer a ribbed tyre on the front wheel, the perfect partner for the K70 is the DUNLOP RIBBED—also made from the famous road-hug rubber.

For sidecar combinations the tyre that gives outstanding grip and mileage is the DUNLOP SIDECAR MAJOR—again with Dunlop road-hug rubber built into it.
