COTSWOLD SCRAMBLE

ORGANISED BY THE STROUD VALLEY M.C.

PLAYER'S N°6

**BRITISH
MOTOCROSS
CHAMPIONSHIPS** 1969

in association with the A.C.U.

OFFICIAL PROGRAMME

Foreword by G.C. Kent
Marketing and Sales Director
John Player & Sons,
Member of Imperial Tobacco Group Limited

After the successful sponsorship by Player's No.6 of the British Motocross Championships in 1968 I am only too delighted that Player's No.6 are again sponsoring these Championships in 1969.

I am sure that both competitors and spectators will all agree that the 10 rounds that comprise the Championships are the best organised events of the year; held on demanding courses that necessitate the riders' full concentration and ability. By associating ourselves with one of the most thrilling spectacles in motor-cycle sport we are indeed maintaining our policy of 'being where the action is', a policy that Player's No.6 follows throughout the sporting spectrum.

The tremendous challenge offered

by the Motocross Championships is also of great importance to manufacturers so that they can discover first hand how machines stand up to the battering they receive. Practical research of this kind enables them to improve production models and leads to higher standards of performance, safety and road worthiness.

A word of caution. I would ask those spectators attending this event to remember that public road conditions are rather different from course conditions and to drive with care and consideration for others when returning home — and indeed, at all times.

If you wish to demonstrate your skill — the answer is to join a club affiliated to the A.C.U. and compete in events such as you are seeing today.

MOTOCROSS

MOTOCROSS

The "Players No. 6" British Motocross Championships comprise two classes — up to 250 c.c. and up to 500 c.c. Riders scoring points in each of the classes at five different events throughout the season. The champion in each class will be awarded not only prize money but a superb "Players No. 6" Trophy which he will win outright. This series of ten events, taking place on some of the toughest and most demanding courses in the country, will attract the cream of British Motocross competitors.

These Championships have been held for many years under different titles; a background synopsis of the history of the Championships along with a list of previous winners appears on the Inside Back Cover of this programme.

Classes: The "Players No. 6" British Motocross Championships will be contested by riders in two classes:

Class 1. Solo machines up to 250 c.c.
Class 2. Solo machines from 320 c.c. to 500 c.c.

Points: Every rider in the Qualifying Rounds will score points as follows:

1st 8	2nd 6	3rd 4
4th 3	5th 2	6th 1

Duration of races: A signal will be exhibited when the race leader crosses the finishing line having completed thirty minutes, he and other riders are then given the 'plus two laps' signal board.

GENERAL INFORMATION

The Committee of the Stroud Valley Motor Club wish to record their sincere thanks and appreciation to Mr. and Mrs. Wooldridge for their kind permission to run the Scramble on their land and for all their valuable help in the arrangements. Without their willing and sporting co-operation it would be impossible to stage the event and we can never sufficiently express our gratitude.

We feel sure that you will show your appreciation by using the Official entrances and exits only, by showing care and consideration not to cause any damage to walls, hedges, crops and mowing grass and by refraining from leaving any litter on the property.

THANK YOU

These Championships were instituted in 1951 for the up to 500 c.c. class and 1960 for the 250 c.c. class. Many famous names in the world of scrambling have featured in the awards list; most notable being Jeff Smith who has won the 500 c.c. class on no fewer than nine occasions. Of these six were in the consecutive years 1960–65.

In previous years the Championships have gone under the title of the "A.C.U. Scrambles Drivers Stars" and more recently "British Scramble Drivers Championships". In 1968 the title was up-dated to include the internationally accepted description of the Sport 'Motocross'.

1969 is the second year that the Championships have been sponsored by Player's No.6.
