GENERAL INFORMATION

The Committee of the Stroud Valley Motor Club wishes to record its sincere thanks to Mr. and Mrs. Wooldridge for their kind permission to run the Scramble on their land and for all their valuable help in the arrangements. Without their willing and sporting co-operation it would be impossible to stage the event, and we can never sufficiently express our gratitude.

We feel sure that you will show your appreciation by using the official entrances and exits **only**, by showing care and consideration not to cause any damage to walls, hedges, crops or mowing grass and by refraining from leaving any litter on the property.

This year we are fortunate to stage a Round of the 250cc Manufacturers Series which looks as though it will provide something special in racing.

This year the **BIG** race will be worth £120 to the winner, so we will be expecting some very fast and close racing from the country's finest riders.

The STROUD VALLEY MOTOR CLUB thank you for your support and wish you a pleasant days' sport.
