GENERAL INFORMATION

The Committee of the Stroud Valley Motor Club wish to record their sincere thanks and appreciation to Mr. and Mrs. Wooldridge for their kind permission to run the Scramble on their land and for all their valuable help in the arrangements. Without their willing and sporting co-operation it would be impossible to stage the event and we can never sufficiently express our gratitude.

We feel sure that you will show your appreciation by using the Official entrances and exits only, by showing care and consideration not to cause any damage to walls, hedges, crops and mowing grass and by refraining from leaving any litter on the property.

THANK YOU

WARNING

MOTOR RACING IS DANGEROUS

You are present at this meeting entirely at your own risk, and the ticket of admission is issued subject to the condition that all persons, having any connection with the promotion and/or organisation and/or conduct of the meeting, including the owners of the land and drivers and owners of the vehicles and passengers in the vehicles, are absolved from all liability, in respect of personal injury (whether fatal or otherwise) to you or damage to your property howsoever caused.

The new Cotswold Course is now just over 1 mile long and has been altered to give spectators a better all round view of the racing, while still retaining an interesting and eventful course for both riders and spectators. We hope you like the new course and that you enjoy the racing. If so, please come again next year when we hope once again to have another all Star Entry.
